Subject: Approval of FRALO Monster D-Box for use in Virginia except in vehicular traffic loading situations

After reviewing the material provided by FRALO Plastech Manufacturing, LLC, the Division of Onsite Sewage and Water Services finds that the subject high-density polyethylene distribution box substantially complies with the minimum requirements of the *Sewage Handling and Disposal Regulations* Section 12 VAC 5-610-930 and approves its use in Virginia when installed according to manufacturer's directions.

NOTE: The distribution box is not rated for vehicular traffic loading and shall not be used in situations where it may be subjected to such loading.
