RE: Letter of Intent
Add one MRI-equipped Linear Accelerator with SRS/SRT capabilities at the Emily Couric Clinical Cancer Center
University of Virginia Medical Center
Charlottesville, Virginia
PD10

Dear Mr. Bodin:

I submit this Letter of Intent (LOI) on behalf of University of Virginia ("UVA") Medical Center, in compliance with the Certificate of Public Need Rules and Regulations, to notify your Department that UVA Medical Center is seeking approval to add one MRI-equipped linear accelerator with SRS/SRT capabilities. This equipment will be located in the Emily Couric Clinical Cancer Center on the campus of the University of Virginia Medical Center, Charlottesville, Virginia, in PD 10.

It is our understanding that this UVA Medical Center COPN Application will be due May 31, 2019. Should you have questions or need additional information, please feel free to contact me. I look forward to receiving the appropriate application as well as any additional materials that will facilitate our preparation of the application. Thank you in advance for your assistance and your thoughtful review of this application.

Yours truly,

Pamela M. Sutton-Wallace
Chief Executive Officer
University of Virginia Medical Center
