April 16, 2007

Mr. Will Boneck
A & B Die Casting
E 5663 White Lake Road
Weyauwega, Wisconsin 54983

Dear Mr. Boneck:

This is to acknowledge approval by the Virginia Department of Health, Division of Onsite Sewage and Water Services of the Model 1, 6 inch well cap manufactured by A & B Die Casting for use in Virginia on private wells. This approval will be listed on our web site as Guidance, Memorandum, and Policy (GMP) #138.

If you have questions, please contact me at (804) 864-7452.

Sincerely,

Donald J. Alexander, Director
Division of Onsite Sewage and Water Services
