

MEMORANDUM

Date: June 25, 2007

To: Environmental Health Managers
District Health Directors
VPI/SU Soil Scientists
Authorized Onsite Soil Evaluators
Professional Engineers

GMP #140

From: Donald J. Alexander, Director
Division of Onsite Sewage and Water Services

Subject: WYO-BEN grouting material

After reviewing the materials provided by WYO-BEN, Incorporated, the Division of Onsite Sewage and Water Services finds that the subject grout materials referred to as **Therm-Ex Grout™** and **Therm-Ex Grout™ Plus** substantially comply with the minimum requirements of the Private Well Regulations, Section 410 C. and approves their use in Virginia for “closed-loop heat pump” wells when used according to the manufacturer’s directions (attached).
