Reminders

The VDH Call Center has been deactivated.

Influenza activity in Virginia has seen a slight incline in recent weeks. Stop transmission at home when a family member develops influenza like illness, [click here](#).

It remains very important to receive both the 2009 H1N1 and seasonal flu vaccines in order to prevent the spread of illness this flu season.

Stay home when sick and limit your contact with others
Cover your nose and mouth when coughing or sneezing
Wash your hands; especially after coughing or sneezing
