

EMT Competency Tracking Form

Student Name: _____ Student Certification #: _____

Instructions: The EMT-Instructor must date & initial the appropriate spaces to verify that the individual student has demonstrated competency in performing each of the skills listed. At course completion all skill areas must have been completed to signify eligibility for certification testing. Competency in all relevant skills contained within the Competency-based EMT program is required for state certification.

Instructor Verification of Completion: _____ Signature: _____ Date Verified: _____

Preparatory Competencies		1	2	3	4	5
1	Must demonstrate the ability to select, don, remove and discard PPE	<input type="checkbox"/>	<input type="checkbox"/>			
2	Must demonstrate the ability to properly disinfect/clean EMS equip/ambulance	<input type="checkbox"/>	<input type="checkbox"/>			
3	Must demonstrate the ability to properly comply w/infectious control exposure using local protocols	<input type="checkbox"/>				
4	Must demonstrate the ability to assess a patient for breathing difficulty	<input type="checkbox"/>				
5	Must demonstrate ability to acquire a pulse providing rate, rhythm, and strength	<input type="checkbox"/>				
6	Must demonstrate ability to assess the skin color, temp, and condition in an adult	<input type="checkbox"/>				
7	Must demonstrate ability to assess capillary refill in pt. < 6 yo.	<input type="checkbox"/>	<input type="checkbox"/>			
8	Must demonstrate ability to assess the pupils as to equality, size, reactivity	<input type="checkbox"/>				
9	Must demonstrate ability to obtain a blood pressure	<input type="checkbox"/>				
10	Must demonstrate ability to obtain a SAMPLE history	<input type="checkbox"/>				
11	Operate stretcher	<input type="checkbox"/>	<input type="checkbox"/>			
12	Operate Stair chair	<input type="checkbox"/>	<input type="checkbox"/>			
13	Move Patient using Spine board	<input type="checkbox"/>	<input type="checkbox"/>			
14	Move pt. from ambulance stretcher to a hospital bed	<input type="checkbox"/>				

EMT Competency Tracking Form

Airway Competencies		1	2	3	4	5
1	Must demonstrate ability to perform a chin-lift during an airway scenario	<input type="checkbox"/>				
2	Must demonstrate ability to perform a jaw thrust during an airway scenario	<input type="checkbox"/>				
3	Must demonstrate ability to perform suctioning during an airway scenario using soft/rigid suction devices	<input type="checkbox"/>				
4	Must demonstrate ability to provide mouth to mouth ventilation using BSI (pocket mask)	<input type="checkbox"/>				
5	Must demonstrate ability to assemble, connect to O2 and ventilate during airway scenario using BVM	<input type="checkbox"/>				
6	Must demonstrate ability to ventilate using a BVM for 1 min each demonstration	<input type="checkbox"/>				
7	Must demonstrate ventilating with a flow restricted, oxygen powered ventilation device	<input type="checkbox"/>	<input type="checkbox"/>			
8	Demonstrate how to artificially ventilate patient w/stoma	<input type="checkbox"/>	<input type="checkbox"/>			
9	Demonstrate how to insert OP airway during an airway scenario	<input type="checkbox"/>				
10	Demonstrate how to insert NP airway during an airway scenario	<input type="checkbox"/>				
11	Correctly operate O2 tanks and regulator	<input type="checkbox"/>				
12	Demonstrate use of non-rebreather and adjust O2 flow requirements needed for use during airway scenario	<input type="checkbox"/>				
13	Demonstrate use of nasal cannula and adjust O2 flow requirements needed for use during airway scenario	<input type="checkbox"/>				
14	Demonstrate how to artificially ventilate an infant and child during scenario	<input type="checkbox"/>	<input type="checkbox"/>			
15	Demonstrate O2 administration to infants and children	<input type="checkbox"/>	<input type="checkbox"/>			

Patient Assessment Competencies		1	2	3	4	5
1	While reviewing scenes identify potential hazards	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
2	Demonstrate the techniques for assessing mental status in a scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
3	Demonstrate techniques for assessing the airway in a scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
4	Demonstrate techniques for assessing if pt. is breathing in a scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
5	Demonstrate techniques for assessing if pt. has a pulse scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
6	Demonstrate Techniques for assessing pt. for external bleeding in a scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		

EMT Competency Tracking Form

Patient Assessment Competencies		1	2	3	4	5
7	Demonstrate techniques for assessing pt. skin color, temp. condition in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
8	Demonstrate the ability to prioritize pt. in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
9	Demonstrate rapid trauma assess based on mech. of injury in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
10	Demonstrate pt. assessment skills in responsive pt. with no known history in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
11	Demonstrate pt. assessment skills in an unconscious/ALOC pt. in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
12	Demonstrate skills in detailed physical exam	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
13	Demonstrate skills in ongoing assessment	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
14	Perform a simulated, organized, concise radio transmission (lab setting)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
15	Perform pt. report that would be given to staff at receiving facility (lab setting)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
16	Perform report that would be given to ALS provider in (lab setting)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
17	Complete pre-hospital care report (lab setting)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		

Medical, Behavioral and OB/GYN Competencies		1	2	3	4	5
1	Demonstrate General steps for assisting pt. with self administration of meds	<input type="checkbox"/>				
2	Read labels and inspect each type of meds	<input type="checkbox"/>				
3	Demonstrate emergency medical care for breathing difficulty in scenario	<input type="checkbox"/>				
4	Perform steps in using inhaler scenario	<input type="checkbox"/>	<input type="checkbox"/>			
5	Demonstrate assessment and care for chest pain pt. in scenario	<input type="checkbox"/>				
6	Demonstrate application and operation of AED in scenario w/CPR	<input type="checkbox"/>				
7	Demonstrate maintenance of AED	<input type="checkbox"/>	<input type="checkbox"/>			
8	Demonstrate assessment and documentation of patient response to AED	<input type="checkbox"/>				
9	Demonstrate skills to complete the automated defibrillator: operators shift checklist	<input type="checkbox"/>	<input type="checkbox"/>			
10	Perform steps for use of Nitro for chest pain/discomfort in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
11	Demonstrate assessment and documentation of pt. response to nitro in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
12	Practice completing PPCR for cardiac emerg. In scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
13	Demonstrate steps in emergency medical care for Pt. taking diabetic medicine w/ALOC in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		

EMT Competency Tracking Form

Medical, Behavioral and OB/GYN Competencies		1	2	3	4	5
14	Demonstrate steps in administration of oral glucose in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
15	Demonstrate assessment and documentation of pt response to oral glucose in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
16	Demonstrate how to complete PPCR for Pt. w/diabetic emerg in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
17	Demonstrate care for Pt. w/allergic reaction in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
18	Demonstrate use of EPI-Pen in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
19	Assessment/documentation of Pt. in response to EPI-Pen in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
20	Demonstrate proper disposal of equipment in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
21	demonstrate completion of PPCR for Pt. Allergic reaction in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
22	Demonstrate care of Pt. w/possible overdose scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
23	Demonstrate assessment/care of pt. w/exposure to cold in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
24	Demonstrate assessment/care of pt. w/exposure to heat in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
25	Assessment/care of near drowning pt in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
26	Complete prehospital care report for pt. w/environmental emergencies in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
27	Assessment/care of pt w/behavioral emergency in scenario	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
28	Demonstrate techniques to restrain pt. with behavioral problem in scenario	<input type="checkbox"/>	<input type="checkbox"/>			
29	Demonstrate steps to assist in normal cephalic delivery	<input type="checkbox"/>	<input type="checkbox"/>			
30	Demonstrate necessary care for fetus as head appears	<input type="checkbox"/>	<input type="checkbox"/>			
31	Demonstrate infant neonatal procedures	<input type="checkbox"/>	<input type="checkbox"/>			
32	Demonstrate post delivery care of infant	<input type="checkbox"/>	<input type="checkbox"/>			
33	Demonstrate how and when to cut umbilical cord	<input type="checkbox"/>	<input type="checkbox"/>			
34	Attend to steps in the delivery of the placenta	<input type="checkbox"/>	<input type="checkbox"/>			
35	Demonstrate post-delivery care of mother	<input type="checkbox"/>	<input type="checkbox"/>			
36	Demonstrate the procedures for following abnormal deliveries (vaginal bleeding, breech birth, prolapsed cord, limb presentation)	<input type="checkbox"/>				
37	Demonstrate steps in care of mother with excessive bleeding	<input type="checkbox"/>				
38	Complete PPCR of OB pt	<input type="checkbox"/>				

EMT Competency Tracking Form

Trauma		1	2	3	4	5
1	Demonstrate direct then diffuse pressure by applying dressing to the head	<input type="checkbox"/>	<input type="checkbox"/>			
2	Demonstrate direct then diffuse pressure by applying dressing to the shoulder	<input type="checkbox"/>	<input type="checkbox"/>			
3	Demonstrate direct then diffuse pressure by applying dressing an extremity	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
4	Demonstrate direct then diffuse pressure by applying dressing to the hip	<input type="checkbox"/>	<input type="checkbox"/>			
5	Demonstrate use of pressure point/tourniquet at brachial	<input type="checkbox"/>	<input type="checkbox"/>			
6	Demonstrate use of pressure point/tourniquet at Femoral	<input type="checkbox"/>	<input type="checkbox"/>			
7	Demonstrate care of pt. w/signs and symptoms of internal bleeding/shock	<input type="checkbox"/>				
8	Complete PPCR on Bleeding and/or shock Pt.	<input type="checkbox"/>				
9	Demonstrate the care of closed soft tissue injuries	<input type="checkbox"/>				
10	Demonstrate the care of open soft tissue injuries	<input type="checkbox"/>				
11	Demonstrate care of open chest wound	<input type="checkbox"/>	<input type="checkbox"/>			
12	Demonstrate care of open abdominal wounds	<input type="checkbox"/>	<input type="checkbox"/>			
13	Demonstrate care of impaled object	<input type="checkbox"/>	<input type="checkbox"/>			
14	Demonstrate care of pt w/amputation and the amputated part	<input type="checkbox"/>				
15	Demonstrate care of pt. with superficial burns	<input type="checkbox"/>				
16	Demonstrate care of pt. with partial thickness burns	<input type="checkbox"/>				
17	Demonstrate care of pt. with full thickness burns	<input type="checkbox"/>				
18	Demonstrate care of pt. w/chemical burns	<input type="checkbox"/>				
19	Complete PPCR w/pt. having soft tissue injuries	<input type="checkbox"/>				
20	Demonstrate care of pt. with painful swollen deformed forearm	<input type="checkbox"/>	<input type="checkbox"/>			
21	Demonstrate care of pt. with painful swollen deformed arm	<input type="checkbox"/>	<input type="checkbox"/>			
22	Demonstrate care of pt. with painful swollen deformed clavicle	<input type="checkbox"/>	<input type="checkbox"/>			
23	Demonstrate care of pt. with painful swollen deformed thigh	<input type="checkbox"/>	<input type="checkbox"/>			
24	Demonstrate care of pt. with painful swollen deformed calf	<input type="checkbox"/>	<input type="checkbox"/>			
25	Demonstrate care of pt. with painful swollen deformed ankle/foot	<input type="checkbox"/>	<input type="checkbox"/>			
26	Complete PPCR w/pt. having painful, swollen deformity	<input type="checkbox"/>	<input type="checkbox"/>			

EMT Competency Tracking Form

Trauma		1	2	3	4	5
27	Demonstrate opening airway in pt. with suspected spinal cord injury. (during scenario)	<input type="checkbox"/>	<input type="checkbox"/>			
28	Demonstrate evaluating a responsive patient with a suspected spinal cord injury. (during scenario)	<input type="checkbox"/>	<input type="checkbox"/>			
29	Demonstrate stabilization of the cervical spine. (during scenario)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
30	Demonstrate the four person log roll for a pt. with a suspected spinal cord injury (during scenario)	<input type="checkbox"/>				
31	Demonstrate how to log roll a pt. with a suspected spinal cord injury using two people (during scenario)	<input type="checkbox"/>	<input type="checkbox"/>			
32	Demonstrate securing a pt to a long spine board (during scenario)	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	
33	Demonstrate using the short board technique	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
34	Demonstrate procedure for rapid extrication	<input type="checkbox"/>	<input type="checkbox"/>			
35	Demonstrate preferred methods for stabilization of a helmet	<input type="checkbox"/>	<input type="checkbox"/>			
36	Demonstrate helmet removal techniques	<input type="checkbox"/>	<input type="checkbox"/>			
37	Demonstrate completing a PPCR for Pt.s with head and spinal injuries	<input type="checkbox"/>	<input type="checkbox"/>			

Infants and Children and Operations		1	2	3	4	5
1	Demonstrate the techniques of foreign body airway obstruction removal in the infant	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
2	Demonstrate the techniques of foreign body airway obstruction removal in the child	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
3	Demonstrate the assessment of an infant and a child	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
4	Demonstrate bag-valve-mask artificial ventilations for the infant	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
5	Demonstrate bag-valve-mask artificial ventilations for the child	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
6	Demonstrate oxygen delivery for the infant and child	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>		
7	Given a scenario of a mass casualty incident perform triage	<input type="checkbox"/>	<input type="checkbox"/>
