

EMS' Got Talent!

Thursday, 8 - 11 p.m.
Hampton Ballroom

We'll provide
the mic...
...You provide
the talent!

A large crowd of people at a talent show, viewed through a microphone-shaped cutout. The crowd is diverse and appears to be cheering or watching intently. The microphone cutout is black and has a jagged, torn-paper edge.

What's your claim to fame...singer, dancer, musician, juggler?

This is not your average karaoke contest, this show invites everyone to showcase ALL of their special talents!

Sign up for this event at the 3rd floor registration desk in the Marriott.
