

Division of Disease Prevention Overview

Diana L. Jordan, RN, MS, ACRN
Director

**The mission of the
Division of Disease Prevention (DDP)...**

*is to maximize public health and safety
through the elimination, prevention, and
control of disease, disability, and death
caused by HIV/AIDS, viral hepatitis, other
sexually transmitted infections
and tuberculosis.*

*The Division ensures a
basic level of
health screening
for all Virginia refugees.*

**For every 5 Virginians diagnosed with HIV
disease, approximately:**

- 4 are men**
- 3 are Black**
- 3 live in the Eastern or Central region**
- 3 are MSM or MSM - IDU**
- 2 are aged 20-34 at diagnosis**

**One new thing about DDP...
that helps you do your job**
