

RICHMOND CITY HEALTHY HOMES COALITION

Vision

To provide coordinated services to improve the lives of all citizens through healthier living conditions.

Mission

To bridge and create access to a pool of knowledge and best practices, and to mobilize resources and services to promote healthy and safe homes and healthy living for the citizens of the City of Richmond.

The Healthy Homes Coalition is guided by a three-member Executive Committee represented by Richmond City Building Commissioner – Doug Murrow; Lead Safe and Health Homes Initiative – Dona Huang; and Susan Hill (formerly Richmond Regional Energy Alliance). The Coalition meets on a quarterly basis.
