

Dosing Control Unit DCU-200

Owner's Manual

*Congratulations on your purchase **Dosing Control Unit DCU-200** from **Premier Tech Environment (PTE)** for various types of commercial, institutional and community applications. This document contains information on how to operate your unit and the warranty provided by **PTE**. For more information, don't hesitate to contact our Customer Service Department at 1 800 632-6356.*

Operating Instructions

Alarm Condition:

- Put the selector switch in the OFF position and press the "Silence" button. Reduce water consumption to a minimum until the problem is resolved.
- Check the manual operation of the pumps.
- Make sure none of the floats are jammed.
- Check to make sure the level floats are functioning.
- Proceed with any necessary repairs or replacements.
- Once the problem is resolved, return the selector switch to the AUTO position.

Note: The **Dosing Control Unit** is not designed to operate with a single pump. Doing so could affect the wastewater treatment system. Contact **PTE's** Customer Service Department for details.

In the event of a power failure: The operating settings are automatically restored after power interruptions.

Important: Some operations must be performed by a qualified electrician or a pump repair technician.

Certificate of Warranty for the Dosing Control Unit DCU-200

1. PREAMBLE

Premier Tech Technologies Ltd. (hereinafter called "Premier Tech") is proud to provide its customers with this Warranty on the **Dosing Control Unit DCU-200** (hereinafter called "**DCU-200**"). For the application and interpretation of this warranty, "Customer" shall mean the person who has purchased a **DCU-200** (hereinafter called "Initial Purchaser"), as well as any subsequent purchaser (hereinafter called "Subsequent Purchaser(s)"), in accordance with the provisions of Section 8 of this Warranty. "Successor(s)" shall mean any other person entitled to exercise Customer's rights under the law.

2. NATURE OF THE WARRANTY

Premier Tech warrants to the Customer any and all parts of the **DCU-200** (parts and labor) against any manufacturing defect for a period of one (1) year from the date of purchase by such Customer (proof of purchase required) provided the **DCU-200** was installed according to the installation and usage instructions described in the Installation Guide and the Owner's Manual.

This contractual Warranty is provided by Premier Tech to its customers in addition to any legal warranties and is expressly limited to the text of this Certificate.

3. NOTICE

For this Warranty to be valid, the Customer must notify Premier Tech in writing immediately upon the appearance of any indication of an anomaly or irregularity in the design or the operation of the **DCU-200**.

Such notice shall be mailed to the Premier Tech Head Office at 1, avenue Premier, Rivière-du-Loup, Québec, G5R 6C1, CANADA or by facsimile to (418) 862-6642.

Upon receipt of this notice, Premier Tech shall examine the situation and, if necessary, take appropriate corrective measures in accordance with the terms of this Warranty.

4. GENERAL EXCLUSIONS

The following damages or problems are excluded from the Warranty:

(a) Any damage or problem caused by a fortuitous event or "force majeure", such as, without limiting the generality of the foregoing, an earthquake, a flood, frost, hurricane, landslide, explosion, dynamiting, or rise in the level of the water table;

(b) Any damage or problem caused by the fault or act of a third party;

(c) Any damage or problem arising from a defective installation of the **DCU-200** and/or from products located upstream or downstream of the unit;

(d) Any damage or problem arising from any installation, modification, correction or addition to the treatment system carried out after the installation of the **DCU-200**, without prior written approval from Premier Tech;

(e) Any damage or problem, if it is shown that the installation and usage of the **DCU-200** were not in accordance with the instructions and guidelines described in the Installation Guide and the Owner's Manual;

(g) Any damage or problem caused by an omission or act of the Customer or the Customer's Successors;

5. PARTICULAR EXCLUSIONS

It is further expressly understood that the Customer may not carry out or cause to be carried out any repair or verification of the **DCU-200** sold to him, or attempt to carry out any work or to apply any corrective measures whatsoever to said work, before notifying Premier Tech in accordance with the provisions of Section 3 of this Warranty and before Premier Tech has visited the site, within a reasonable time following receipt of said notice, to assess the situation.

If the Customer carries out or causes to be carried out repairs, or attempts to repair or to apply corrective measures of any kind whatsoever to the **DCU-200** sold to him without prior authorization by Premier Tech, this Warranty shall be considered null and void and Premier Tech shall be considered completely discharged from any and all of its obligations under this Warranty.

6. INDEMNITIES AND DAMAGES

Premier Tech's liability and obligations regarding any corrective measure carried out or any attempt to correct an indicated problem shall be limited to replacing the defective parts of the **DCU-200** and to supplying the required labor, if applicable, in accordance with Sections 3 and 4.

7. LIMITATION OF LIABILITY

Premier Tech's compensation or indemnification obligation shall be limited to the provisions of Section 6 of this Certificate of Warranty and Premier Tech shall not be held liable for any other damage or loss that may have been suffered or incurred by the Customer or any third party in connection with the **DCU-200**.

8. TRANSFER OF OWNERSHIP

In the event of transfer of ownership, sale, assignment or disposition in any way whatsoever of the Customer's property to a third party, this Warranty shall continue to be valid. The person proceeding to the transfer, sale, assignment or any other type of disposition of the property undertakes to hand over to the Subsequent Purchaser or his Successor, the Certificate of Warranty received upon completion of the work, as well as the **DCU-200** Owner's Manual.

9. INSPECTION

The Customer and/or the Customer's Successors shall allow Premier Tech or its duly authorized representatives to carry out all necessary monitoring and inspection, as required, for implementation of this Warranty.

If the Customer and/or the Customer's Successors notify Premier Tech of an alleged defect or malfunction of the **DCU-200** and that, after inspection, it is found that no such defect or malfunction exists, or, that the such defect or malfunction is excluded from or does not apply to the Warranty, a minimum charge of \$150.00 plus direct expenses shall be paid by the Customer and/or the Customer's Successors for the cost of the inspection.

Certificate of Warranty for the Dosing Control Unit DCU-200

10. INTERPRETATION

The terms of this Warranty shall be interpreted and governed by the provisions of this Warranty and the legislation in effect in the Province of Quebec.

11. PRIORITY OF THE CERTIFICATE OF WARRANTY

This Warranty supersedes any contract or understanding, written or verbal, entered into between the Customer and Premier Tech. In case of contradiction between this Warranty and any other documents and/or contracts entered into between the Customer and Premier Tech, this Warranty shall prevail.

12. SUBSEQUENT PURCHASERS AND SUCCESSORS

Subject to the provisions of this Warranty and especially those of Section 8, this Warranty shall continue to be valid for Subsequent Purchasers and Successors and shall continue to have full effect until the end of the agreed Warranty period provided for in Section 2 of this Certificate.
