1) Comply with all course prerequisites.
2) Comply with all class rules.
3) Satisfy all minimum requirements as set forth in the minimum training requirements for the corresponding program.
4) Satisfy all current course expectations.
5) Demonstrate proficiency in the performance of all practical aspects of the program. (Also includes activities reviewed in the "Functional Position Description" for the appropriate level.)
6) Hold current CPR credentials from an Office of EMS approved course as evidenced by a current card or copy of the roster submitted by the respective agency.
7) If in a bridge certification program, you must be certified at the prerequisite certification level before certification testing at the higher level.
8) Successful completion of all of the above is evidenced by receipt of a Test Eligibility Letter in the students EMS Portal.
