Getting started

Congratulations on either starting or furthering your EMS career. The Virginia EMS Scholarship Program provides funding support to awarded applicants towards the EMS initial certification program of their choice. Certain eligibility criteria and participation conditions apply.

[LEARN MORE »](#)

Registration

In order to apply for the Virginia EMS Scholarship, you must first register. Registering involves a simple two-step process.

- Step 1 – Fill in the required fields to create your Applicant Profile.
- Step 2 – create a user name and password. You will then be prompted to enter a verification code, which you will receive in your email inbox (be sure to check your "Junk" or "Spam" folders, if it is not in the inbox). Enter your verification code. Your registration is now complete.

About Us

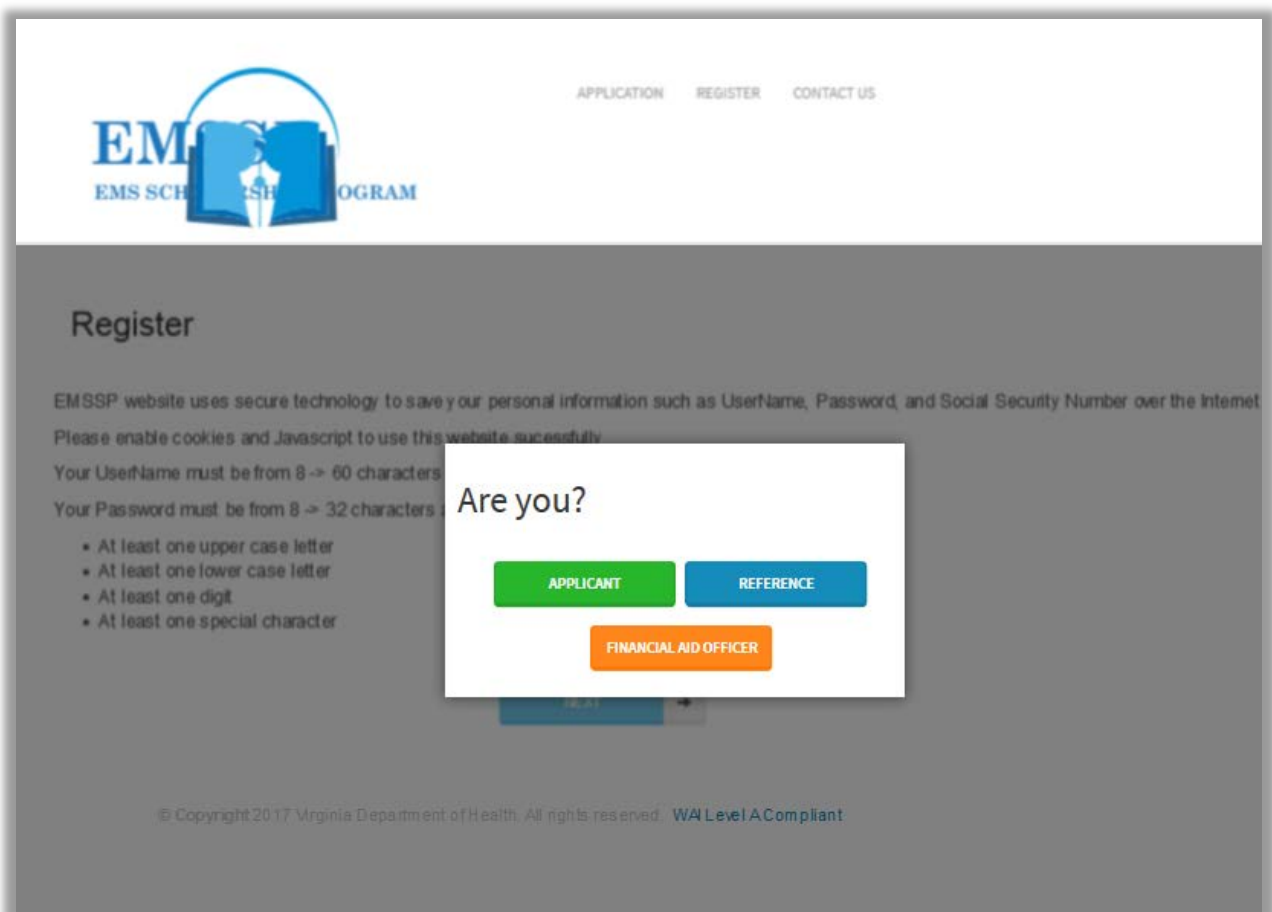

The Virginia Office of EMS (OEMS) is an organization of the Virginia Department of Health. OEMS is responsible for planning and coordinating an effective and efficient statewide EMS system.

To this end, our goals include cultivating an exceptional EMS workforce and ensuring equitable access to quality EMS education programs throughout the Commonwealth.

Register

Click on Register on Navigation, you will be asked to choose which direction you'd like to go.

The screenshot shows the EMSSP website's registration page. At the top, there is a navigation bar with links for APPLICATION, REGISTER, and CONTACT US. The EMSSP logo, featuring two hands holding a heart, is on the left. The main heading is "Register". Below it, a message states: "EMSSP website uses secure technology to save your personal information such as UserName, Password, and Social Security Number over the Internet. Please enable cookies and Javascript to use this website successfully." Registration requirements are listed: "Your UserName must be from 8 -> 60 characters" and "Your Password must be from 8 -> 32 characters". A list of password requirements includes: "At least one upper case letter", "At least one lower case letter", "At least one digit", and "At least one special character". A modal window titled "Are you?" is centered on the page, containing three buttons: "APPLICANT" (green), "REFERENCE" (blue), and "FINANCIAL AID OFFICER" (orange). The footer contains the copyright notice: "© Copyright 2017 Virginia Department of Health. All rights reserved. WA Level A Compliant".

After step 1 of the registration, you will need to create your username and password. The rules to create username/password are clearly stated on the registration landing page.

[Register – Reference – Log in](#)

References will not need a verification code.

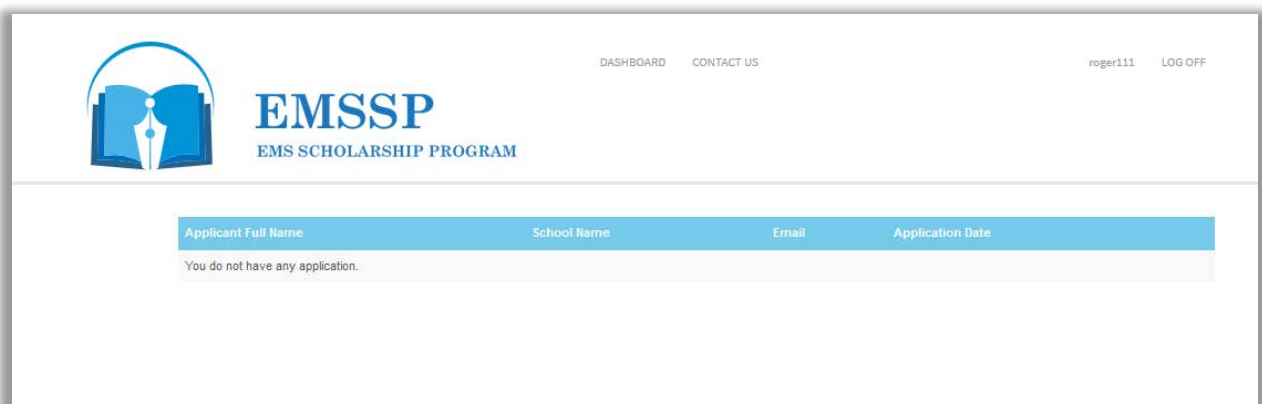

After create your username/password, click Next, you will go to Login page

The login page features a header with the title "Log in" and a sub-header "Fill in these information to log in." To the right, there is a link "Not registered yet? Register for access now". Below the header, there are two input fields: "Username" and "Password". To the right of these fields is a blue "REGISTER" button. Below the input fields is a grey "LOG IN" button. At the bottom, there are two blue buttons: "FORGOT USERNAME" and "FORGOT PASSWORD".

[Dashboard – Reference](#)

If reference doesn't have any application to give statement. He/she will see the below.

The dashboard header includes the EMSSP logo (EMS SCHOLARSHIP PROGRAM) and navigation links "DASHBOARD" and "CONTACT US". The user's name "roger111" and a "LOG OFF" link are displayed in the top right. The main content area shows a table with columns: "Applicant Full Name", "School Name", "Email", and "Application Date". Below the table, a message states "You do not have any application."

If they have application(s) need to give statement; it will be listed here. To give statement, reference needs to verify by entering the Application Number which was included in the notification email.
