MEMORANDUM

TO: Non-Profit Licensed EMS Agencies

FROM: Virginia Office of Emergency Medical Services

SUBJECT: Nasal Naloxone for EMS Agencies (NNEA) - Fall 2018 Cycle - GRANT OPPORTUNITY - This grant opportunity is available for licensed emergency medical services (EMS) agencies to receive nasal naloxone.

The Virginia Office of Emergency Medical Services (OEMS) is announcing a NO COST grant opportunity for licensed EMS agencies to receive nasal naloxone from November 26, 2018 to March 29, 2019. All licensed EMS agencies are eligible to apply for nasal naloxone regardless of prior funding status.

Eligible applicants must have either a Controlled Substance Registration (CSR) or written authorization for the shipment of naloxone from their Operational Medical Director (OMD). Applicants must also submit an address to ship the naloxone, and a phone number for their drug enforcement agency (DEA). Regional project applications must include a list of each EMS agency involved in the grant application.

- Applications for funding are available through the EMS-Grant Information Funding Tool (E-GIFT), along with the NNEA User Guide available on the OEMS website at: <http://www.vdh.virginia.gov/emergency-medical-services/administration-finance/rsaf-grants-program/>
- Applications must be received through E-GIFT with all appropriate e-signatures by the application deadline, **March 29, 2019.**
