HELP TRACK THE FLU. SAVE LIVES!

Flu Near You is a real-time, fun disease tracking system that engages you, your family, and your friends directly in flu tracking and prevention:

- See flu activity in your area.
- Find nearby locations that offer flu vaccines.
- Complete quick and easy surveys to build flu awareness.
- Connect to local public health resources.

To participate, all you have to do is register at FluNearYou.org

- Any resident of the U.S. or who is at least 13 years old, can participate and register using the Flu Near You website, a mobile app, or Facebook. You can even register and respond on behalf of household members who are too young to participate. It only takes a few seconds to get started!
- Each week, you will complete a health survey where you report any symptoms you had in the past week. It's really fast and easy!
