Ms. Bunny Medeiros
Lives in Abingdon, VA
(276) 676-4325

On Monday, October 23, 2017 at 2:10 p.m., Ms. Medeiros left a message on the Commissioner's Office main telephone wanting to voice her opinion on the merger between Wellmont and Mountain States Health Alliance, and have that opinion documented.

Cathy Peppers returned Ms. Medeiros' call at 3:42 p.m. and this is the documented conversation.

"I am totally against the merger and do not believe it is in the best interest of the people in this region. I have 30 years in nursing and I've been treated by both facilities, and feel they should both stay or remain separate."

Ms. Medeiros thanked me for returning her call and documenting the conversation.
