

# It's Time To Renew Your Medical License

*Would you also consider volunteering as a medical professional?*

**When renewing your license, you will be given the option to volunteer.**

**If you select Yes:**

5. (Optional) Would you be willing to consider volunteering your services if there is a public health emergency in Virginia? If you wish to volunteer, choose Yes in the field to the right. If you volunteer, your address of record will be provided to the Virginia Department of Health for forwarding to the appropriate local health department, which will be responsible for coordinating training and volunteer opportunities.

Yes

You may receive a mailing from a Medical Reserve Corps Unit Coordinator asking you to consider joining.

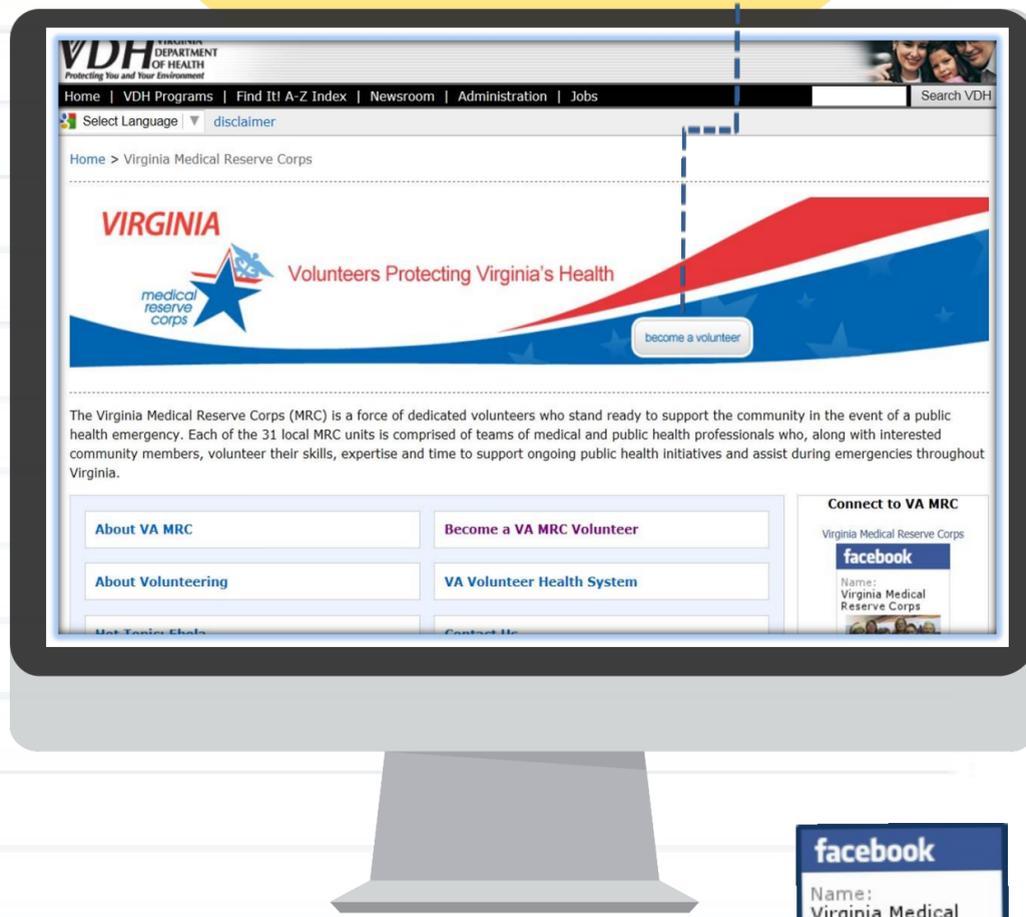

Once your application is approved, your credentials will be verified. You will be asked to complete a background check.

You will be given opportunities to train for and serve in emergencies, AND non-emergencies such as Public Health Outreach, if you'd like.

**But.... why wait ?
