

## INTERPRETING IN HEALTH AND COMMUNITY SETTINGS

An intensive, interactive, forty-hour course in professional interpretation. Designed for bilingual individuals seeking to enhance interpreting skills for employability, job retention or career change. Covers: code of ethics, interpreting modes and techniques, cultural competence, memory development and professional conduct. Taught in English for multi-lingual groups.

All candidates must pass a two-hour language proficiency test to determine fluency in English and a second language. Please contact Marisa Stroud at (703) 549-7060 for details regarding the testing or the training.
