TO WHOM IT MAY CONCERN:

The \_\_\_\_\_ County Health Department, [INSERT ADDRESS] has approved an alternative onsite sewage system for use for the property identified above as long as the system is properly operated and maintained and performs in accordance with the *Sewage Handling and Disposal Regulations*.

Until promulgation of final regulations governing the operation and maintenance of alternative onsite sewage systems pursuant to Chapters 892 and 924 of the Acts of Assembly of 2007, alternative onsite sewage systems shall be operated and maintained pursuant to such approved instructions, any applicable regulations or Guidance Memoranda and Policies adopted by the Board of Health, or any local operation and maintenance standards, whichever are more stringent. Owners are advised to be aware of the operation and maintenance instructions for their alternative onsite sewage systems and to follow them. Copies of the operation and maintenance instructions can be found by contacting the local health department holding jurisdiction in the county where the onsite sewage system is located.
