

Use Mosquito Repellent

To protect yourself and your family from mosquito bites

How to Use

Always follow the product label instructions

Reapply insect repellent as directed usually every few hours

Do not spray repellent on the skin under clothing

If you are also using sunscreen, apply sunscreen before applying insect repellent

If you have a baby or child

Do not use insect repellent on babies younger than 2 months of age

Do not apply insect repellent onto child's hands, eyes, mouth, and irritated skin

Adults: spray insect repellent onto your hands and then apply to child's face

Do not use products containing oil of lemon eucalyptus (OLE) or para-menthane-diol (PMD) on children under 3 years of age
