

Office of Emergency Medical Services

Rescue Squad Assistance Fund (RSAF) Grant Awards

January 1, 2016 - December 31, 2016

1. ACCOMACK CO DEPT OF PUBLIC SAFETY (ES-C02/12-15) - ACCOMACK Co., PD 22

1 LifePak 15 - \$25,145.86 (80 / 20) State/Local Match

Conditions: 13-Acknowledgment must be provided on any printed material, equipment or vehicle as follows: "Funding was made possible by a grant from the Virginia Office of Emergency Medical Services, Virginia Department of Health."

36-Agencies using ePCR systems with the capability to submit in real-time, all ImageTrend, ZOLL, and emsCharts users, for version 2, must enable Auto-Post/Sync/ submit in real-time to VPHIB. Once an EMS agency has migrated to the version 3 EMS data standard (VAV3) all agencies using an ePCR systems will submit in real-time unless approved in writing by the OEMS. EMS data quality will not be assessed for 30 days after an EMS incident to allow resubmission of incomplete ePCRs.

37-Agencies using ImageTrend, ZOLL, or emsCharts EMS ePCR software products must submit EMS data to VPHIB using a Web-services connection for Virginia's version 2 EMS data standard submissions. Once the agency has migrated to the Virginia version 3 data standard (VAV3) all submissions to VPHIB must be submitted via Web-services.

1 Critical Care Airway Trainer - \$1,005.60 (80 / 20) State/Local Match

Conditions: 36-Agencies using ePCR systems with the capability to submit in real-time, all ImageTrend, ZOLL, and emsCharts users, for version 2, must enable Auto-Post/Sync/ submit in real-time to VPHIB. Once an EMS agency has migrated to the version 3 EMS data standard (VAV3) all agencies using an ePCR systems will submit in real-time unless approved in writing by the OEMS. EMS data quality will not be assessed for 30 days after an EMS incident to allow resubmission of incomplete ePCRs.

37-Agencies using ImageTrend, ZOLL, or emsCharts EMS ePCR software products must submit EMS data to VPHIB using a Web-services connection for Virginia's version 2 EMS data standard submissions. Once the agency has migrated to the Virginia version 3 data standard (VAV3) all submissions to VPHIB must be submitted via Web-services.

Total: \$26,151.46

2. AMHERST CO DEPT OF PUBLIC SAFETY (BR-C05/12-15) - AMHERST Co., PD 11

1 Type I 4 Wheel Drive ambulance - \$108,960.50 (50 / 50) State/Local Match

Conditions: 1-Vehicle must be available for service 24 hours a day, 7 days a week.

13-Acknowledgment must be provided on any printed material, equipment or vehicle as follows: "Funding was made possible by a grant from the Virginia Office of Emergency Medical Services, Virginia Department of Health."

32-Agency must complete all vehicle information in the "manage vehicles" section of the VPHIB system, including all data elements within the vehicle information, station, purchase information, and vehicle status sections. If this vehicle is replacing another vehicle, the vehicle being replaced must be marked as "inactive" in the VPHIB system.

35-Ambulances ordered after July 1, 2015 must comply with the SAE J3026 Ambulance Patient Compartment Seating Integrity and Occupant Restraint SAE J3027 Ambulance Litter Integrity, Retention, and Patient Restraint standards.

36-Agencies using ePCR systems with the capability to submit in real-time, all ImageTrend, ZOLL, and emsCharts users, for version 2, must enable Auto-Post/Sync/ submit in real-time to VPHIB. Once an EMS agency has migrated to the version 3 EMS data standard (VAV3) all agencies using an ePCR systems will submit in real-time unless approved in writing by the OEMS. EMS data quality will not be assessed for 30 days after an EMS incident to allow resubmission of incomplete ePCRs.

37-Agencies using ImageTrend, ZOLL, or emsCharts EMS ePCR software products must submit EMS data to VPHIB using a Web-services connection for Virginia's version 2 EMS data standard submissions. Once the agency has migrated to the Virginia version 3 data standard (VAV3) all submissions to VPHIB must be submitted via Web-services.

If this vehicle is replacing another vehicle, the vehicle being replaced must be marked as "inactive" in the VPHIB system.

35-Ambulances ordered after July 1, 2015 must comply with the SAE J3026 Ambulance Patient Compartment Seating Integrity and Occupant Restraint SAE J3027 Ambulance Litter Integrity, Retention, and Patient Restraint standards.

36-Agencies using ePCR systems with the capability to submit in real-time, all ImageTrend, ZOLL, and emsCharts users, for version 2, must enable Auto-Post/Sync/ submit in real-time to VPHIB. Once an EMS agency has migrated to the version 3 EMS data standard (VAv3) all agencies using an ePCR systems will submit in real-time unless approved in writing by the OEMS. EMS data quality will not be assessed for 30 days after an EMS incident to allow resubmission of incomplete ePCRs.

37-Agencies using ImageTrend, ZOLL, or emsCharts EMS ePCR software products must submit EMS data to VPHIB using a Web-services connection for Virginia's version 2 EMS data standard submissions. Once the agency has migrated to the Virginia version 3 data standard (VAv3) all submissions to VPHIB must be submitted via Web-services.

Total: \$133,907.00

6. BEDFORD CO DEPARTMENT OF FIRE AND RESCUE (BR-C08/12-15) - BEDFORD COUNTY, PD 11

2 Lucas 2 Chest Compression Syst - \$14,796.00 (50 / 50) State/Local Match

Conditions: 13-Acknowledgment must be provided on any printed material, equipment or vehicle as follows: "Funding was made possible by a grant from the Virginia Office of Emergency Medical Services, Virginia Department of Health."

36-Agencies using ePCR systems with the capability to submit in real-time, all ImageTrend, ZOLL, and emsCharts users, for version 2, must enable Auto-Post/Sync/ submit in real-time to VPHIB. Once an EMS agency has migrated to the version 3 EMS data standard (VAv3) all agencies using an ePCR systems will submit in real-time unless approved in writing by the OEMS. EMS data quality will not be assessed for 30 days after an EMS incident to allow resubmission of incomplete ePCRs.

37-Agencies using ImageTrend, ZOLL, or emsCharts EMS ePCR software products must submit EMS data

Office of Emergency Medical Services

Rescue Squad Assistance Fund (RSAF) Grant Awards

January 1, 2016 - December 31, 2016

to VPHIB using a Web-services connection for Virginia's version 2 EMS data standard submissions. Once the agency has migrated to the Virginia version 3 data standard (VAv3) all submissions to VPHIB must be submitted via Web-services.

5 Panasonic CF-31 - \$9,265.00 (50 / 50) State/Local Match

Conditions: 11-Computer awards require establishment of internet account; providing OEMS with agency e-mail address; electronic submission of PPDR & grant application as applicable.

13-Acknowledgment must be provided on any printed material, equipment or vehicle as follows: "Funding was made possible by a grant from the Virginia Office of Emergency Medical Services, Virginia Department of Health."

29-Must use the awarded computer hardware to comply with pre-hospital patient care reporting of the OEMS minimum dataset in the technical format prescribed by OEMS.

33-COMPUTER HARDWARE USED FOR VPHIB:

Agency must enable "Auto-Post/Sync" within the ImageTrend application. Enabling Auto-Post allows EMS records to be simultaneously submitted to the OEMS' VPHIB system. Auto-Post is located in the Field Bridge preferences under the setup tab of ImageTrend's Service Bridge.

36-Agencies using ePCR systems with the capability to submit in real-time, all ImageTrend, ZOLL, and emsCharts users, for version 2, must enable Auto-Post/Sync/ submit in real-time to VPHIB. Once an EMS agency has migrated to the version 3 EMS data standard (VAv3) all agencies using an ePCR systems will submit in real-time unless approved in writing by the OEMS. EMS data quality will not be assessed for 30 days after an EMS incident to allow resubmission of incomplete ePCRs.

37-Agencies using ImageTrend, ZOLL, or emsCharts EMS ePCR software products must submit EMS data to VPHIB using a Web-services connection for Virginia's version 2 EMS data standard submissions. Once the agency has migrated to the Virginia version 3 data standard (VAv3) all submissions to VPHIB must be submitted via Web-services.

1 Stairpro Stair Chair - \$1,610.00 (50 / 50) State/Local Match

Conditions: 13-Acknowledgment must be provided on any printed material, equipment or vehicle as follows: "Funding was made possible by a grant from the Virginia Office of Emergency Medical Services, Virginia Department of Health."

36-Agencies using ePCR systems with the capability to submit in real-time, all ImageTrend, ZOLL, and emsCharts users, for version 2, must enable Auto-Post/Sync/ submit in real-time to VPHIB. Once an EMS agency has migrated to the version 3 EMS data standard (VAv3) all agencies using an ePCR systems will submit in real-time unless approved in writing by the OEMS. EMS data quality will not be assessed for 30 days after an EMS incident to allow resubmission of incomplete ePCRs.

37-Agencies using ImageTrend, ZOLL, or emsCharts EMS ePCR software products must submit EMS data to VPHIB using a Web-services connection for Virginia's version 2 EMS data standard submissions. Once the agency has migrated to the Virginia version 3 data standard (VAv3) all submissions to VPHIB must be submitted via Web-services.

Total: \$25,671.00

7. BLOXOM VOLUNTEER FIRE COMPANY (ES-C01/12-15) - ACCOMACK Co., PD 22

1 Power Load Fastening System - \$19,736.00 (80 / 20) State/Local Match

Conditions: 9-Must be compliant with the 2014 SCIP, Section 4.1, 8: When procuring equipment for communications system development and expansion, a standards based approach will be used to begin migration to multi-jurisdictional and multi-disciplinary interoperability. Specifically, all new voice systems will be compatible to applicable Project 25 (P25) standards and the Commonwealths Link to Interoperable Communications (COMLINC) system.

36-Agencies using ePCR systems with the capability to submit in real-time, all ImageTrend, ZOLL, and emsCharts users, for version 2, must enable Auto-Post/Sync/ submit in real-time to VPHIB. Once an EMS
