New Terminology:

- NCCR** National Continued Competency Requirements (Virginia - Category 1)
 Educational content that reflects current trends in evidence-based medicine, scope of practice changes and position papers from numerous associations involved with EMS research. It will also serve to focus on those patient presentations that have a low frequency but high criticality.
- LCCR** Local Continued Competency Requirements (Virginia – Category 2)
- ICCR** Individual Continued Competency Requirements (Virginia – Category 2)
 LCCR and ICCR requirements will be combined to reflect the Category 2 requirements. Educational content for these hours will include EMS-related education that can be defined by the state, region or agency.
