EMS Physician (OMD) Portal

User Guide v1

Introduction

Welcome!

This portal provides convenient access to information you need to fulfill your role as an EMS Physician. Please use this guide to help familiarize yourself with the portal and its functions.

Majority of the portal access allows you to view the various components of the EMS system with which you are associated. View allows you to review the material but not make changes. However, there are some aspects of the portal which allows you to either approve or accept requests. In this release, you will be able to approve Education Coordinators electronically, the ability to affiliate with an EMS agency electronically, and to keep your profile current. Future releases will allow you to re-endorsed as an EMS physician using an online process.

Enjoy your portal access and contact Mike Berg, Warren Short, Debbie Akers or Greg Neiman should you have any questions or concerns. We will be contacting you via email soon to set up webinars to introduce the functions available through the EMS Portal.

Note, currently the EMS portal and the OMD component is browser restricted to Internet Explorer (IE). If using IE8 or higher, you must place the browser in compatibility mode. Although the screen views may appear appropriate, the functionality is lost when using other browsers. The Office will be addressing this issue in later versions.

EMS Physician (OMD) Portal

User Guide v1

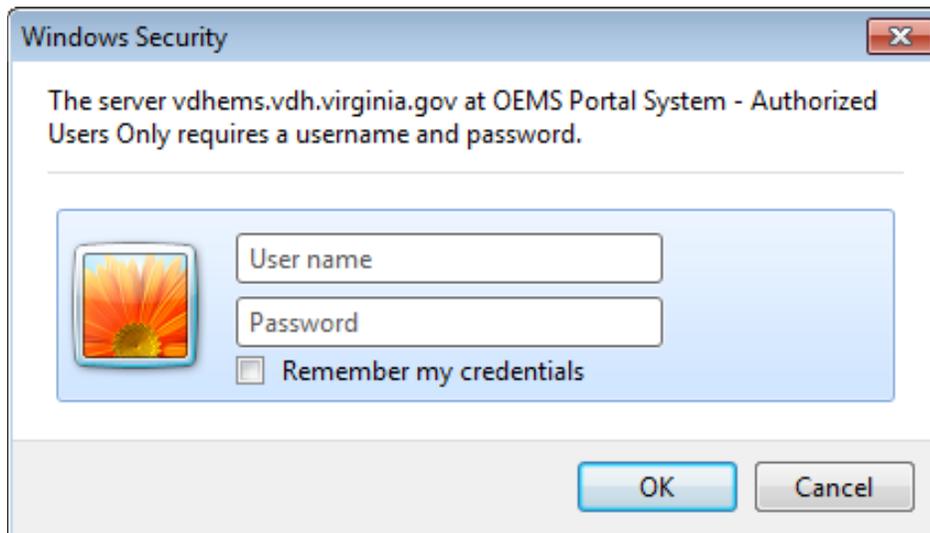

Accessing the Portal

To access the portal, open your web browser and access this URL:

<https://vdhems.vdh.virginia.gov/dedweb/main.startup>

Once you enter this URL in your browser, you will be prompted to log in.

You must then enter your user id and password. The window in which you place your portal credential will appear as illustrated below.

Your user name will be the EMS number provided to you by the office in an email. The format is similar to EMS provider numbers, using the format Pnnnnnnnnn. (P = physician and n = number).

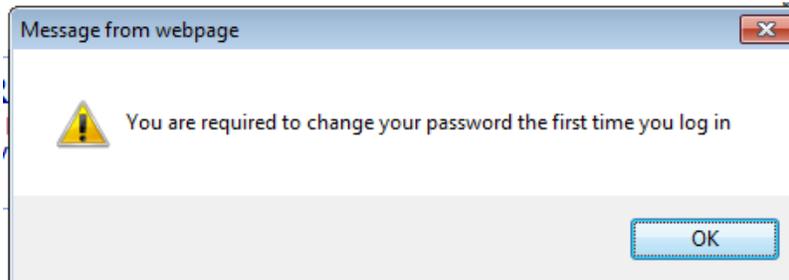

Your temporary password will be sent to you. Please be sure to review password criteria when creating your password.

EMS Physician (OMD) Portal

User Guide v1

Changing Your Password

If this is the first time you have logged in, you must change your password. You will receive a warning message and then you will be shown your profile page.

Security Question:	
Security Answer:	
New Password:	<ul style="list-style-type: none">• Passwords are REQUIRED to be at least 8 characters in length.• Password MUST contain at least one alphabetic character (a-z or A-Z).• Password MUST contain at least one numerical character (0-9).• Password MUST contain at least one special character (!@#\$%^&*(){} !~*+,-/;<=>_?).
Confirm Password:	

Select your default login portal
<input checked="" type="radio"/> EMS PHYSICIAN

** = Required Fields * = A valid Home Phone or Cell Phone or Business Phone is required for contact information

Submit Undo

Enter a new password into the “New Password” and “Confirm Password” boxes. You will also need to set up a security question and answer. This will be used if you ever forget your password. Then click on submit.

Note: You can change your password at any time by returning to your profile.

EMS Physician (OMD) Portal

User Guide v1

Portal Navigation/Home Screen

There are several menu options available to you, most of which have sub-options.

The home screen is a list of your coordinators. Once you navigate off of this list, you can return to it by its menu option.

The screenshot displays the EMS Physician (OMD) Portal home screen. At the top, there is a navigation menu with options: My EC Endorsements, My Agencies, My Providers, My EMS Physician, My Profile, and Miscellaneous. Below the menu, a user profile section is visible, featuring a Star of Life icon and the following information:

Certification Number:	053112423
Certification Level:	P
Expiration Date:	03/31/2017

Below the profile section, there is a table titled "Coordinators" with the following columns: Cert.#, Last Name, First Name, MI, Educator Status, Cert Level, Cert Exp. Date, EC Cert Exp. Date, and Report. The table contains 20 rows of coordinator data.

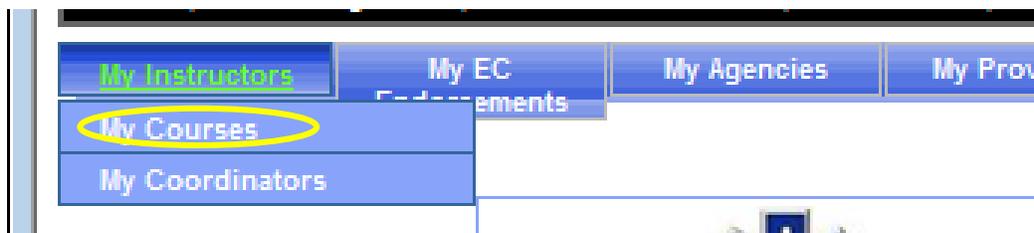

Cert.#	Last Name	First Name	MI	Educator Status	Cert Level	Cert Exp. Date	EC Cert Exp. Date	Report

PYSGRS

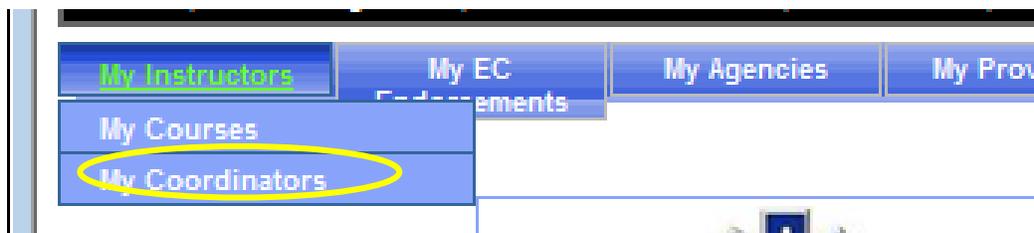

As is consistent throughout the portal, hyperlinks allow you more information or content about a specific item. In the screen shot above, if a course number is a hyperlink, clicking on this will provide you with a list of students enrolled in the program as well as their status in the program (pass, fail, withdrawn, incomplete). The icons under reports provide you information about the course approval, course components, those who have attended CE and a training funds contract if appropriate. You are encouraged to contact the program instructor for questions about the program. Do not provide students with course numbers. This number provides an avenue for program security.

My EC Endorsements

To access this option, select it as shown:

On this screen, you will find pending actions awaiting your approval or denial for new and recertifying Education Coordinators who have named you as their OMD. You can also view the historical information of these requests once they have been acted upon.

If there are pending requests, you would choose “Approve” or “Reject” and then click “Submit Changes Now”. **Be aware, this screen is one of those components for which you can take action and are not restricted to view only.** This screen contains three components:

1. Pending EC Candidate Applications: these are providers who want to become education coordinators (ED) (the new term for instructors). They are required to have an EMS physician endorsement to initiate the process to become an education coordinator. You can either approve or reject their request using the pull down menu in the status column. Be sure to use the “Submit Changes Now” button to complete the process.
2. Pending EC Recertification Requests: These are providers who are ECs and require endorsement to recertify as an EC. The approval process works similar to that described above.
3. EC History Endorsements: Provides you a history of those who you have endorsed.

Pending EC Candidate Applications

Cert#	Last Name	First Name	MI	MI	MI	MI	MI	MI	Status
