

EMS TRAINING PROGRAM ADMINISTRATION MANUAL

Policy Number: T-240	Page: 1	of: 1
Title: Provider Certification Reentry Program		
Regulatory Authority: 12VAC5-31-1407		
Date of Issue: December 1, 2002	Effective Date: October 10, 2012	

- A. **Reentry Period Allowed** - Individuals whose provider level certification has expired may regain full certification through completion of the reentry program within two (2) years of expiration date of the level for which reentry is being sought. To reenter the person must fulfill the requirements of Section **T-206** including successfully pass all required testing within the two (2) year reentry period.
- B. **Reentry Period Expiration** - Individuals failing to complete the reentry process by the end of the two (2) year period following expiration will be required to successfully complete a full basic training program and all required testing before certification may be regained at this level.
1. Individuals who have relocated outside Virginia for a minimum of two (2) years during which time their eligibility to seek recertification through reentry has expired, and have maintained certification from another certifying body, may seek certification through Sections **T-234** or **T-236**, as applicable.
