GENERAL INFORMATION

Introduction

State and federal regulatory programs guard the health, safety and welfare of the public by establishing and enforcing standards to assure quality health care. The Office of Licensure and Certification (OLC) of the Virginia Department of Health (VDH) administers the state licensing programs for nursing facilities, hospitals, home care organizations and hospice programs. OLC/VDH is also the state survey agency for the federal certification programs under the Centers for Medicare and Medicaid Services (CMS), i.e., Medicare and Medicaid. In addition, the OLC investigates consumer complaints regarding quality of health care services received.

Directory of Long Term Care Facilities

Inspection activities are used to satisfy both state licensure and federal certification requirements. The OLC's medical facility inspectors are health care professionals such as physicians, registered nurses, dietitians, and social workers.

This directory contains the contact information for nursing facilities, hospital long-term care units, state mental health facilities federally certified by OLC/VDH, and intermediate care facilities for the mentally retarded federally certified by OLC/VDH. For information regarding Assisted Living Facilities, please contact the Virginia Department of Social Services.

Additional information regarding Virginia's *nursing facilities* be found on the web at:
www.VDH.Virginia.gov/OLC

Or on the federal Nursing Home Compare site:

<http://www.medicare.gov/NHCompare>

Terms and Definitions

Nursing facilities are state licensed and federally certified by the OLC/VDH. The majority of Virginia's nursing facilities accept Medicare/Medicaid reimbursement. A nursing facility's inspection reports are available at the facility or by contacting OLC/VDH.

Hospital long-term care units are designated long-term care beds in hospitals and are state licensed and federally certified by the OLC/VDH.

State mental health facilities are operated by the Virginia Department of Mental Health, Mental Retardation and Substance Abuse Services (DMHMRSAS) and federally certified SNF/NF by OLC/VDH.

Intermediate Care Facilities for the Mentally Retarded (ICF/MR): are state licensed by DMHMRSAS and federally certified NF only by OLC/VDH.

Disclaimer

This information is provided as a public service by OLC/VDH and updated biannually. While every effort is made to assure accuracy, the information may be incorrect due to recent changes in facility name or address. This information should not be used as a sole source in selecting a facility.
