

VDH Division of Disease Prevention Fact Sheet

VA MAP Open Enrollment

Consumer Fact Sheet for 2027 Benefits

For Clients Enrolling in Medicare (Parts C & D)

- You may see larger premium changes than in prior years.
- Some insurance carriers changed their plans for 2027.
- Benalytics can help you find a prescription drug plan for your medications and provider needs.
- **All Medicare billing statements and card copies must be sent to Benalytics by January 29, 2027.**

For ACA Eligible Clients

- **Enrollment must be completed by Benalytics.**
- Do not let your policy auto-renew for 2027. Contact Benalytics for help in choosing your 2027 plan.
- Cigna will not have ACA plans in the marketplace. **If you had a 2026 plan with Cigna, you must choose another carrier for 2027.** Benalytics can help you find a plan for your medication and provider needs.
- All federal premium tax credits and Virginia Premium Savings will be applied at the time of enrollment to lower the cost of your monthly premium.

All Clients Take Note:

- Read all mail from insurance carriers, VDH, and the Virginia Marketplace.
- **Contact the Call Center to confirm your eligibility is up to date.** If your eligibility is not active, this may cause a delay in using your medication access services.
- If you are eligible for Medicaid, you must apply for it with assistance from Benalytics.
- If your insurance enrollment is accepted by VDH, you must regularly access your medications using your Ramsell card. Contact the Call Center if you do not have a Ramsell card.

For enrollment appointments with Benalytics, please go to myvamap.com or call toll-free 855-483-4647.

For any other questions, call the VA MAP Call Center at 855-362-0658.
