

# QMAC COMMUNICATOR

STRONGER TOGETHER

## STATE RESOURCES

**Funding changes may affect access to care and support services. To assist, we've gathered key resources for medical, dental, behavioral health, and social support. Please share widely with your networks.**

- **Virginia Dental Association Foundation** – Free dental care for vulnerable populations via volunteer providers. [www.vdaf.org](http://www.vdaf.org)
- **Virginia Association of Free & Charitable Clinics** – Safety-net clinics offering medical, dental, pharmacy, vision, and behavioral health services. [www.vafreeclinics.org](http://www.vafreeclinics.org)
- **211-Virginia** – Centralized referral line for healthcare, housing, food assistance, mental health, and more. [www.211virginia.org](http://www.211virginia.org)
- **NeedyRx.org** – Helps locate affordable clinics and medication assistance programs (PAPs, coupons, rebates). [www.needymeds.org](http://www.needymeds.org)
- **HarborPath** – Streamlines PAP applications for HIV meds; provider enrollment required. [www.harborpath.org](http://www.harborpath.org)
- **Findhelp Local Directory:** A dynamic, region-specific hub for locating support services including—but not limited to—health care, food, housing, transportation, and more. [www.findhelp.org](http://www.findhelp.org)

## IMPORTANT REMINDERS

- **Medicaid Transition:** Effective September 1, 2025, VA MAP is now requiring that eligible uninsured patients in Direct MAP, and eligible insured patients in Affordable Care Act plans (HIMAP), apply for Medicaid. [Click here](#) for more information!
- **Flu Season** is upon us! Make sure your vaccinations are up to date. Protect yourself and your clients by staying current on key vaccines. Unsure which vaccines are needed? Contact your local health department for guidance and recommendations.

- **Philanthropy News Digest:** Offers a regularly updated list of grant opportunities, including funding relevant to HIV care, public health, and community services. Use the RFP Bulletin to search by topic or region, and set up alerts to stay informed. [www.philanthropynewsdigest.org](http://www.philanthropynewsdigest.org)
- **Additional Tools:** Medicare.gov (PAP search), ClinicalTrials.gov (research access), Treatment Action Group (advocacy resources). Find more resources here: [www.vdh.virginia.gov/disease-prevention/disease-prevention/hiv-care-services/va-rwhapb-resources/](http://www.vdh.virginia.gov/disease-prevention/disease-prevention/hiv-care-services/va-rwhapb-resources/)
