February 21, 2022

4:15 PM - 5:15 PM

TAC-DHH is partnering with Radford University and DARS' Pre-Employment Transition Services to offer ***Student Connection***, an opportunity for **ALL** students who are Deaf and Hard of Hearing to connect with other Deaf and Hard of Hearing students in Virginia via Zoom. Breakout rooms for children in grades K-12 will be used to ensure age-appropriate activities for your child, including offering resources to students in grades 9-12 to help prepare them for moving from school to post-school life.
