What’s New?

VIIS Staff Update
Rochelle Green, the former Southeast Region VIIS Consultant has accepted the position of VIIS Field Supervisor. Rochelle has 10 years of public health experience working with the Division of Immunization at VDH. During the last 4 years, she has been the VIIS Field Consultant for the Southeast region of the state. We look forward to working with Rochelle in her new role and utilizing her vast amount of knowledge and experience.

Welcome Monalisa to the VIIS Team!
Mona Mbaitsi is our new Statistical Analyst. She manages the VIIS Help Desk and provides data support, along with Esther Seisay. Mona comes to us from the Office of Institutional Research and Assessment in Philadelphia, where she interned while completing her MPH at Temple University. If you need your password reset, help with registration, or have a data question, contact Mona. She can be reached at (866) 375-9795 or VIIS_HelpDesk@vdh.virginia.gov.

Testimonies

“I have been using the VIIS quite frequently. I can not begin to tell you how helpful it has been for me. I use it pretty regularly.”
Melanie Gooding Shifflett, RN
WMS/MCHS Nurse

“As a small clinic servicing a wide population, it is a scary reality that things fall through the cracks. We of course have a checks and balances system but when I ran across a patient in our record book that seemed to have received TWO vaccinations this year (2013) a red flag went up. After checking with the VIIS website and our VIIS Consultant, it was determined the shots were far enough apart to not be a problem, one being in January of 2013 and the other in December 2013, quite a relief! Under the advice and tutorial of our VIIS Consultant and the ease of use the VIIS website provides, we have been able to keep our records up to date and our data entry methods correct.”
Jillian McGee, Patient Access Assistant
Gloucester-Mathews Free Clinic

VIIS Registration & Training

Are you in need of VIIS training or know a provider/school who wants access? Contact a VIIS Consultant at (804) 864-8055 or viisinfo@vdh.virginia.gov.

Did You Know…

VIIS Outstanding User Award Winners
The winners are in for 2013! Providers from across the state are recognized for doing an outstanding job entering and uploading data to the registry. You can view the complete list of 2013 award recipients on page 2.

Web Browser Compatibility with VIIS
Some users have reported having trouble viewing and using all the functionality of VIIS. You may need to update the compatibility settings in your web browser to allow VIIS to function correctly. If you need instructions on how to do this, or have technical questions, please contact your VIIS consultant or the help desk at (866) 375-9795.

Duplicate Clients
If you find a client that is in VIIS more than once, please let your consultant or the help desk know to merge the accounts together. Make sure to provide the VIIS ID number for each duplicate client.

VDH Meaningful Use Registration System

Available Now
The Virginia Department of Health is pleased to announce the availability of our Meaningful Use Registration System for health care providers. The Centers for Medicare and Medicaid Services (CMS) requires that providers register with public health if they plan to submit messages to VDH to demonstrate “Meaningful Use” of their electronic health records to obtain CMS reimbursement.

While registration is required only for Stage 2, VDH also encourages those involved in Stage 1 to register with VDH using this site.

Individual providers, hospitals or health care systems can register at http://www.vdh.virginia.gov/meaningfuluse/. This link also provides other helpful information for those engaged in Meaningful Use.

Visit us online at: http://www.vdh.virginia.gov/viis
