

DOULA CERTIFICATION PROGRAM

REGISTRATION IS NOW OPEN

Classes Start November 11 in Culpeper and January 5, 2026 in Stafford

Prepare to guide expecting mothers through their prenatal to perinatal process. This 6-week program gives you the skills needed to provide quality maternal care and support to women on their pregnancy journeys. Our highly qualified instructors will follow an evidence-based curriculum, developed by local healthcare partners. Successful completion of the program will lead to state certification.
