

# Rapid REVIVE! TRAINING

## REVIVE! is the opioid overdose and naloxone education program for the Commonwealth of Virginia.

REVIVE! provides training to everyone on how to recognize and respond to an opioid overdose emergency with the administration of naloxone (Narcan®). Anyone can take the REVIVE! training. There are no special requirements.

Persons who complete the REVIVE! training are given knowledge and resources needed to save a family member or friend who has overdosed on opioids. REVIVE! is helping people learn how to recognize and respond to opioid overdose emergencies by administering naloxone.
