

# Interested in a monkeypox vaccine?

Richmond and Henrico Health Districts are offering vaccinations to protect against monkeypox to some individuals who live, work, or spend time in Richmond and Henrico and are at **higher risk of exposure or serious illness.**

If you are interested in receiving a monkeypox vaccine fill out this form: [rhhd.gov/monkeypoxvax](https://rhhd.gov/monkeypoxvax). **Vaccination supply is currently limited**, and you are not guaranteed a vaccine by filling out this form. However, you will be added to a list to potentially receive a vaccine in the future depending on your risk factors and the available supply.

If you need assistance filling out the form, please contact our Contact Center at **(804) 205-3501**, Mon – Fri, 8 AM–5 PM.

For more information on monkeypox, visit [rhhd.gov/monkeypox](https://rhhd.gov/monkeypox).
