# TODAY'S A GREAT DAY FOR...

# School Immunizations

*Is your student entering a new school system or moving into kindergarten, 7th, or 12th grade?*

Virgina requires specific immunizations for those big milestones! The Virginia Department of Health keeps a full list of those requirements at **rhhd.gov/school-vax-requirements**.

**Sign up for required immunizations today! You can find them at:**

- A regular, annual visit with your student's primary care provider (PCP). If you need help choosing a PCP, visit **rhhd.gov/connect-pc** to learn more about primary care in our communities!

- RHHD clinics! The health department offers appointments at no cost to families. Students must bring a guardian, a copy of immunization records, and an insurance card if they have one. For more information or to make the appointment, visit **rhhd.gov/childhoodvax**, call **804-205-3501**, or scan this QR code.

- One of our awesome partners! We have a full list of clinics providing free or low-cost immunizations at **rhhd.gov/connect-pc**.
