

Pittsylvania-Danville Health District
WIC Weekly Farmer's Market

The **Pittsylvania-Danville Health District** is dedicated to achieving and maintaining optimum personal and community health. In keeping with our mission, we will be hosting a WIC weekly mobile farmer's market on site for the months of July and August in our Pittsylvania Co. location and off-site with Urban Farm at God's Storehouse. Due to many of our participants having limited access to fresh food, this service will be convenient, as well as meet a great need for the community at large.
