- ▶ Participants will be muted automatically at the start. **Please remain on mute for the duration of the meeting, unless speaking.**
- ▶ **Please turn your camera on!** It's always nice for the speaker to be able to see faces instead of talking to a bunch of blank squares.
- ▶ **Open the chat box** so you can view the discussion and ask any questions of the speaker. The chat box will be monitored by meeting hosts to ensure the questions are brought to the speakers attention.
- ▶ If you want to speak to contribute to the conversation or ask a question, **please use the “raise hand” feature** found along the bottom of the participants box.
