

Instructions for Viewing Presentation

1. Download and open the presentation.
2. Click on the **Slide Show** tab at the top middle of your screen. Select the option **From Beginning** on the top far left side of your screen.

The presentation should enter full screen mode and the first audio clip should begin playing automatically.

3. To advance the slides, you may either:
 - use the **spacebar**
 - **click anywhere** on the screen, or
 - use the **arrow keys** to move forward and backward

Alternatively, you may also click on the **left and right arrows** at the far left bottom corner of the screen.

4. If you need to exit during the middle of the slide show for any reason, move your mouse over the menu in the bottom left corner and click on the **ellipsis (three dots)**. Select **End Show** to exit the full screen presentation.
