Note: Some Cities/Counties may appear under both mandatory and voluntary conservation, as multiple community waterworks may operate within a given locality. A city or county listed does not necessarily mean that all customers within that city/county are under restriction. Customers should consult their utility provider to confirm water use restriction requirements.

*"Community waterworks" means a waterworks that serves at least 15 service connections used by year-round residents or regularly serves at least 25 year-round residents.
