## Biden-Harris Administration Announces Selection of 29 EPA Environmental Finance Centers to Help Communities Access Funds for Infrastructure Projects

November 4, 2022

**Contact Information**  
EPA Press Office ([press@epa.gov](mailto:press@epa.gov))

**WASHINGTON** – Today, the U.S. Environmental Protection Agency (EPA) announced the selection of 29 [Environmental Finance Centers](#) (EFCs) that will help communities across the country access federal funding for infrastructure and greenhouse gas reduction projects that improve public health and environmental protection. The EFCs will deliver targeted technical assistance to local governments, states, Tribes, and non-governmental organizations to protect public health, safeguard the environment, and advance environmental

# Region 3 Water TA Program: Goal

**END RESULT**

**More communities with applications for  
federal funding, quality water infrastructure,  
and reliable water services.**

# Principles of Technical Assistance

**#1 - Provide direct water technical assistance to communities**

**#2 - Support communities to take concrete steps towards accessing water infrastructure funding**

**#3 - Coordinate and collaborate to support effective delivery of WaterTA**

# Menu of Services

< any stage in the process

< full-spectrum or targeted

Five-year project, annual outputs:

- 10 deep dive communities
- 30–50 light touch communities

MOONSHOT  
MISSIONS

## VISION

*For every community in the United States to  
have affordable and reliable  
systems that deliver clean water at their tap  
and in local waterways.*

# OUR SERVICES

## TECHNICAL

- System assessments
- Operational optimization
- Compliance assistance
- Cost-reduction & new revenue opportunities
- Source water protection
- Consolidation & regionalization
- Asset management

## MANAGERIAL

- Operator training
- Workforce development
- Regulatory compliance
- Community/leadership engagement
- Standard operating procedures
- RFP development
- Contracting oversight

## FINANCIAL

- Identification of funding opportunities
- Funding application assistance
- Capital improvement planning
- Budgeting & financial planning
- Rate setting

# EPIC Funding Navigator Program

ENVIRONMENTAL POLICY  
**INNOVATION**  
CENTER

We provide short-term management and predevelopment funding for disadvantaged municipalities and utilities to access State resources for capital construction of water, wastewater, and stormwater infrastructure.

## Example activities...

- Alternatives Analysis
- Asset Analysis & Mapping
- Contracting & Procurement
- Drinking Water Distribution & Treatment
- Emerging Contaminants Response
- Finance & Accounting
- Lead Service Line Inventory & Replacement

## Our outcomes...

- Provided technical assistance to 70+ small and under-resourced communities across 26 states and the U.S Virgin Islands
- Mobilized over \$2M in engineering, financial, and subcontracting support
- Unlocked over \$37.6 million in SRF funding and counting

Visit [Policyinnovation.org/funding-navigator](http://Policyinnovation.org/funding-navigator) to request EPIC technical assistance.
