

Office of Drinking Water

Dwayne Roadcap
Director

Katie Sallee
Executive
Administrative
Assistant

PURPOSE AND MISSION

We protect public health and help ensure all Virginians have a safe and adequate supply of drinking water. We accomplish this work by:

1. Ensuring appropriate and timely compliance with the Waterworks Regulations and the associated policies and procedures;
2. Providing technical assistance and guidance/expertise to waterworks;
3. Funding projects that enable sustainable operations of waterworks;
4. Reviewing and approving waterworks operations and construction projects;
5. Collaborating with federal, state, local agencies, and waterworks owners;
6. Advocating for Virginia's waterworks, customers, and stakeholders; and
7. Functioning effectively and efficiently to ensure appropriate, timely, and competent services for Virginians.
