

**2026 PROJECT PRIORITY LIST**

Priority	Project #	Owner Information	Project Name	Project Description	Service Connections	Point Total	Designation	Program Type Code	Principal Forgiveness	Project Cost	SRF Amount for this IUP	Grant Cumulative Amounts	Notes
1	WSL-010-26	Appalachia, Town of	WTP & Emergency Raw Water Updates	Install Generator at Pump Station, safety wire and railing at dam, reservoir telemetry, flood protection structures for raw water pump stations	917	620	H-P	BASE	\$472,919	\$472,919	\$472,919	\$472,919	PF
2	WSL-011-26	Rapidan Service Authority	Redundancy & Resiliency Improvements	Replace lead-jointed and asbestos cement waterline including eliminating dead-ends, install storage tank mixing, install generator at WTP, and appurtenances	177	549	H-P	BASE	\$1,310,640	\$6,038,281	\$6,038,281	\$6,511,200	PF, 1
3	WSL-012-26	Fauquier County Water & Sanitation Authority	New Baltimore Water System Interconnect	New source to eliminate PFAS	3,456	1,174	H-C	BASE	\$0	\$9,820,000	\$9,820,000	\$16,331,200	2
4	WSL-013-26	Fauquier County Water & Sanitation Authority	FCWSA Groundwater PFAS Treatment	Treatment or new source to address PFAS	1,843	862	H-C	BASE	\$0	\$17,013,000	\$17,013,000	\$33,344,200	2
5	WSL-016-26	Stafford County Department of Utilities	PFAS Project	Treatment to address PFAS	38,283	865	H-C	BASE	\$0	\$10,000,000	\$10,000,000	\$43,344,200	2
1	BIL-010S-26	Bowling Green, Town of	Gross Alpha Treatment & Well Replacements	Treatment to remove Gross Alpha Radiation	850	1,111	H-C	SUPP	\$2,068,750	\$2,068,750	\$2,068,750	\$2,068,750	PF
2	BIL-011S-26	Wise County Public Service Authority	IDA Tank DBP Reduction Project	New Storage Tank, relocation of a 2nd Storage Tank, and tank mixing to address DBPs	1,706	900	H-C	SUPP	\$1,228,335	\$1,765,293	\$1,765,293	\$3,834,043	PF, 1
3	BIL-012S-26	Rapidan Service Authority	Locust Grove GWWIP Phase 2 Planning	Planning for new WTP to address DBP, Taste, and Odor	5,520	705	H-C	SUPP	\$0	\$5,566,000	\$5,566,000	\$9,400,043	2
4	BIL-013S-26	Campbell County Service Authority	Knoll Woods / Ivy Acres Waterline Replacement	Install new waterline to connect existing failing waterworks (147 connections) to public water	147	763	H-P	SUPP	\$5,333,900	\$8,672,922	\$8,672,922	\$18,072,965	PF, 1
5	BIL-014S-26	Smyth County	Pathway Park Well & Midway Improvements	Develop a well, install new waterlines and interconnection with neighboring waterworks	2,611	736	H-P	SUPP	\$1,837,160	\$2,826,400	\$2,826,400	\$20,899,365	PF, 1
6	BIL-015S-26	Washington County Service Authority	Potter Road Water Line Extension	Extend waterline to connections currently served by contaminated private wells	6	713	H-P	SUPP	\$784,745	\$1,207,300	\$1,207,300	\$22,106,665	PF, 1
7	BIL-016S-26	Laurel Point Property Owner's Association	Laurel Point Water System Upgrade	Install new storage tank, control valves, and meters, and replace existing waterlines	38	669	H-P	SUPP	\$576,810	\$887,400	\$887,400	\$22,994,065	PF, 1
8	BIL-017S-26	St. Paul, Town of	Raw Water Intake Improvements Project	Construct new raw water intake, airburst screen, backwash system, emergency generator, and pump station	563	642	H-P	SUPP	\$1,912,675	\$2,942,577	\$2,942,577	\$25,936,642	PF, 1
9	BIL-018S-26	Jonesville, Town of	Hurricane Repairs and Resiliency Improvements	Source improvements to prevent flooding, replace storm damaged roof and other WTP improvements, raw water piping, instrumentation, pumps, fencing, add SCADA	670	425	H-P	SUPP	\$625,350	\$625,350	\$625,350	\$26,561,992	PF
10	BIL-019S-26	Virginia Ridge Water Company	Virginia Ridge Well 4 Improvements and Repairs	Replace well pump and controls, add generator	50	405	H-P	SUPP	\$0	\$47,850	\$47,850	\$26,609,842	2
11	BIL-020S-26	Bristol Virginia Utilities Authority	Lead Joint Cast-Iron & Galvanized Waterline Replacement - Phase 2A	Replace lead joint cast-iron and galvanized waterline including appurtenances	120	336	H-P	SUPP	\$2,853,325	\$4,518,844	\$4,518,844	\$31,128,686	PF, 1
1	BIL-010C-26	Floyd-Floyd County PSA	Emerging Contaminants / PFAS	New well and PFAS treatment for existing wells	415	874	H-C	BIL - C	\$3,942,800	\$3,942,800	\$3,942,800	\$3,942,800	PF
2	BIL-011C-26	Purcellville, Town of	Nature Park GWTP PFAS Treatment Improvements	PFAS Treatment	2,693	863	H-C	BIL - C	\$4,668,200	\$4,668,200	\$4,668,200	\$8,611,000	PF
3	BIL-012C-26	Purcellville, Town of	Main Street GWTP PFAS Treatment Improvements	PFAS Treatment	2,693	862	H-C	BIL - C	\$2,249,000	\$2,249,000	\$2,249,000	\$10,860,000	PF

1	BIL-012L-24	Lynchburg, City of	Lead Service Line Replacements & Investigations - Phase 2	Lead Service Line Replacement and Inventory	5,403	31.49	N/A	BIL - L	\$7,500,000	\$15,000,000	\$15,000,000	\$15,000,000	PF, 1
2	BIL-013L-24	Petersburg, City of	Lead Service Line Replacement - Phase 2	Lead Service Line Replacement and Inventory	13,500	29.59	N/A	BIL - L	\$2,505,250	\$5,010,500	\$5,010,500	\$20,010,500	PF, 1
3	BIL-014L-24	Richmond, City of	Phase 7A Service Line Inventory and Block-by-Block LSLR	Lead Service Line Replacement and Inventory	2,000	27.74	N/A	BIL - L	\$9,749,738	\$24,457,378	\$24,457,378	\$44,467,878	PF, 1
4	BIL-010L-25	Virginia American Water Company	City of Alexandria Lead Service Line Replacement	Lead Service Line Replacement and Inventory	4,602	30.61	N/A	BIL - L	\$0	\$1,106,000	\$1,106,000	\$45,573,878	2
5	BIL-011L-25	Richmond, City of	Phase 7B Service Line Inventory and Block-by-Block LSLR	Lead Service Line Replacement and Inventory	2,000	27.74	N/A	BIL - L	\$9,817,048	\$24,542,622	\$24,542,622	\$70,116,500	PF, 1
6	BIL-012L-25	Richmond, City of	Phase 7 Service LSLR Grant Program	Lead Service Line Replacement	50	26.24	N/A	BIL - L	\$250,000	\$250,000	\$250,000	\$70,366,500	PF

**NOTES:**

1. The loan portion of the project will be funded with a 30 year loan (or the design life of the assets) at 1/2% below prime rate.
2. The loan portion of the project will be funded with a 20 year loan (or the design life of the assets) with the interest rate set at closing, 1% below prime rate.
3. The loan portion of the project will be funded with a 30 year loan (or the design life of the assets) with an affective 0% interest.
4. Emergency funding, terms will be determined at a later date.

**Designation Codes:**

H - Health (A-Acute, C-Chronic, P-Public)  
O - Other Eligible Project  
I - Incomplete Application  
N - Not Eligible, N/A - Not Applicable  
PF - Principal Forgiveness

## Attachment 2

### Equivalency

All BIL projects are required to be equivalency projects. Additionally, projects funded by the FY26 DWSRF Base funding listed below are equivalency projects.

- WSL-010-26 Applachia, Town of
- WSL-011-26 Rapidan Service Authority

### Disadvantaged

All projects provided principal forgiveness “PF” in the Notes column of the Project Priority List (PPL) for the DWSRF Base and BIL General Supplemental, are disadvantaged.

- The DWSRF Base grants funded projects listed above as equivalent, as well as non-equivalent DWSRF projects funded by repayments from previous years are designated in Attachment 1 with a “WSL” prefix and are located in the first or “top” section of the PPL.
- The BIL/IIJA General Supplemental grant funded projects are designated with an “S” after the second number as in this example “BIL-023S-25”. These projects are located in the second section from the top of the PPL.
- Additionally, Floyd-Floyd County PSA in the BIL/IIJA Emerging Contaminants project is disadvantaged in the third section from the top of the PPL. The BIL/IIJA Emerging Contaminants grant funded projects are designated with an “C” after the second number as in this example “BIL-010C-26”.
- The BIL/IIJA Lead Service Line grants funded projects are listed in the fourth or bottom section from the top of the PPL. The BIL/IIJA grant funded projects are designated with an “L” after the second number as in this example “BIL-012L-24”.

### Assistance to Small Systems

As evidenced in the “Service Connections” column of the PPL, the majority of the systems receiving assistance serve fewer than 10,000 people and would be designated as small systems. Only four projects serve waterworks with more than 10,000 people. Those include:

- WSL-016-26 Stafford County Department of Utilities - PFAS Project
- BIL-012S-26 Rapidan Service Authority - Locust Grove GWWIP Phase 2 Planning
- BIL-012L-24 Lynchburg, City of - Lead Service Line Replacements & Investigations – Phase 2
- BIL-013L-24 Petersburg, City of – Lead Service Line Replacement Phase 2

### Green Infrastructure/Green Project Reserve

The following projects on the Project Priority List have funding for Green Project Reserve:

- BIL-016-26 Laurel Point Property Owner’s Association – Laurel Point Water System Upgrade
- BIL-017S-26 Saint Paul, Town of – Raw Water Intake Improvements Project
- BIL-020S-26 Bristol Virginia Utilities Authority (BVUA) – Lead Joint Cast-iron & Galvanized Waterline Replacement - Phase 2
