MRC/EVMS Lecture Series 11.27.12

Scenario 2

Mr. Wong. The med
been on HCTZ, was still
been written an additional
help control his blood

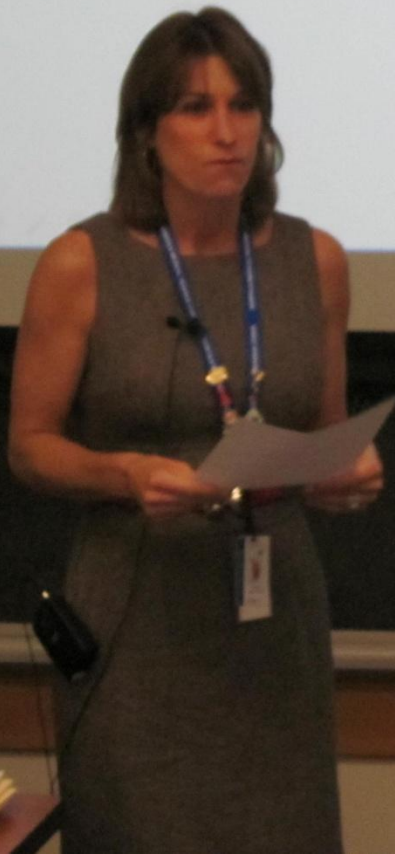

ators, how would you
this problem?

MRC/EVMS Lecture Series 11.27.12

hypertensive, so he's been written an additional script for Lisinopril to help control his blood pressure.

Continuity Coordinators, how would you address this problem?
