

A REGIONAL CONTAINMENT WEBINAR SERIES LED BY CDC

HEALTHCARE FACILITY ENVIRONMENTAL CLEANING AND DISINFECTION

1 Objectives:

1. Identify infection prevention and control practices healthcare facilities should implement to prevent MDRO transmission
 - a. To describe the role the healthcare environment has in the transmission of MDROs
 - b. To describe CDC's 6 Core Competencies for Environmental Cleaning and Disinfection in the Healthcare Setting
 - c. To use this training to identify which Core Competencies healthcare facilities can strengthen
2. Recognize current practices for communicating a patient/resident MDRO status both inside and outside healthcare facilities and identify key strategies for improving interprofessional care through clear multidisciplinary communication

2 Speakers:

- Dr. Elizabeth Soda, MD

3 Accreditation Statements:

In support of improving patient care, this activity has been planned and implemented by Centers for Disease Control and Prevention and D.C. Health, Massachusetts Department of Health, Maryland Department of Health and Virginia Department of Health. The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.
