

LTC-CIP CERTIFICATION PREP COURSE

FREE VIRTUAL

LTC-CIP PREP COURSE

FOR LONG-TERM CARE WORKERS IN VIRGINIA

**Register for
only one date.**

In partnership with the Virginia Department of Health, APIC is offering complimentary Long-Term Care Certificate in Infection Prevention (LTC-CIP) Prep Courses. This course is valued at more than \$1825 and **SPACE IS LIMITED**, so **register early and for only one date**. If you cannot attend, please **cancel at least five business days prior**. **Please work with your facility leadership to ensure only ONE individual per facility attends this course.**

This comprehensive workshop includes guidance and support from certified instructors and access to the [APIC Learning System for LTC-CIP](#). Your experienced faculty will build upon the foundation you have already established through your studies, guiding you through interactive discussions and activities as well as sample test questions. With the online reading materials and study tools found in the APIC Learning System, you will be able to identify your areas of strength and build on them, while also pinpointing areas where you need further study in preparation for the exam. All course participants will receive the updated APIC Learning System and online software access for 12 months.

To earn the LTC-CIP Certification Prep Certificates and up to 49.CNE credits, participants must complete all program components:

- 3-days (8:00am-5:00pm ET) of live training led by experienced instructors. (Contact hours awarded for attendance and completion of evaluation.)
- 5 Online modules, Pre-Test, and Post-Test
