

U.S. Antibiotic Awareness Week

1

Go Purple for USAAW

Wear purple

Light up buildings or landmarks in purple from November 18-24.

Bring purple to your social media accounts using a [USAAW social media frame](#)

Change your [virtual background image](#) to promote USAAW

*If your organization needs a specific color of purple, use Pantone 2735 C or Pantone 2725.

2

Attend Webinars to Broaden your Knowledge about Antibiotic Stewardship

CDC Webinar Series

- Wednesday, November 19th at 12 PM EST - The Path of Yeast Resistance: Drug Resistant Candida on the Rise
