Meeting ID: 991 3413 9109 Passcode: 063489; AUDIO ONLY: +1 646 558 8656 US (New York), +1 301 715 8592 US (Washington DC), +1 312 626 6799 US (Chicago), +1 669 900 6833 US (San Jose), +1 253 215 8782 US (Tacoma), +1 346 248 7799 US (Houston)
- 9:00 **Welcome; Virginia's 2022 Annual HAB Task Force Meeting** *Kim Reece, Chair, Department of Aquatic Health Sciences, VIMS; and Danielle Schools, Director of Division of Shellfish Safety and Waterborne Hazards, Virginia Department of Health (VDH)*
- 9:20 **2021 Virginia HABs: Estuarine Monitoring Summary** *Kathryn Mogatas, Supervisor, ODU Phytoplankton Analysis Laboratory*
- 9:45 **VDH Marine Biotoxin Recap 2021** *Todd Egerton, Marine Science Supervisor, VDH*
- 10:10 **VIMS Reece Lab Marine Recap 2021** *Kim Reece, Chair, Department of Aquatic Health Sciences, VIMS*
- 10:35 **Survey of Phycotoxins in Oyster Meat 2019-2020** *Juliette Smith, Associate Professor, Department of Aquatic Health Sciences, VIMS*
- 10:55 **2021 ODU Freshwater Recap** *Kathryn Mogatas, Supervisor, ODU Phytoplankton Analysis Laboratory*
- 11:20 **VDH Freshwater Advisories Recap 2021** *Margaret Smigo, Waterborne Hazards Program Coordinator, VDH*
- 11:40 **One Health Harmful Algae Bloom System (OHHABS) Data Entry and Summary of 2021 HAB-related Human and Animal Health Effects** *Amani Bassyouni, Waterborne Hazards Program Statistical Analyst, VDH*

12:00 - 1:00pm Lunch

- 1:00 **North Fork Shenandoah River Benthic Cyanobacteria Event 2021 – recreational water response** *Margaret Smigo, Waterborne Hazards Program Coordinator, VDH*
- 1:15 **North Fork Shenandoah River Benthic Cyanobacteria Event 2021 – drinking water response** *Holly Brown, Emergency Services Coordinator, Office of Drinking Water, VDH*
- 1:30 **ITRC Benthic Harmful Cyanobacteria Bloom (HCB) Team – Upcoming Guidance and Training** *Becky Stanton, California Office of Environmental Health Hazard Assessment, ITRC HCB Team*
- 1:55 **Programmatic updates: 2022 Water Quality Assessment Integrated Report and HABs, General Assembly session** *Sandra Mueller, Andrew Garey - DEQ Office of Ecology, Water Monitoring and Assessment Program*
- 2:15 **VIMS & ODU Laboratory Updates for 2022** *Savannah Mapes, VIMS; Juliette Smith, VIMS; Kathryn Mogatas, ODU*
- 3:00 **Adjourn**
