*Rates were calculated based on U.S. Census Bureau estimates for each year and are per 100,000 persons.

**Fatal agency was calculated by the number of occurrences in a homicide event. The number of fatal agencies may not equal the number of homicides, as there may be more than one fatal agency used in a homicide.

***In 2004, "Push/Slam/throw to Ground/Wall" was added as a fatal agency.
