Stay Home While You Wait for Your COVID-19 Test Result:

- **A positive test**
  means you currently have COVID-19. You will need to stay home for at least 10 days.

- **A negative test**
  means you do not currently have COVID-19. You should continue to take steps to protect yourself and others from COVID-19.

What to Do While You Wait for a COVID-19 Test Result:

- **Stay home.**

  Stay home and away from others, especially if you have symptoms or live with people at higher risk for getting severe COVID-19.
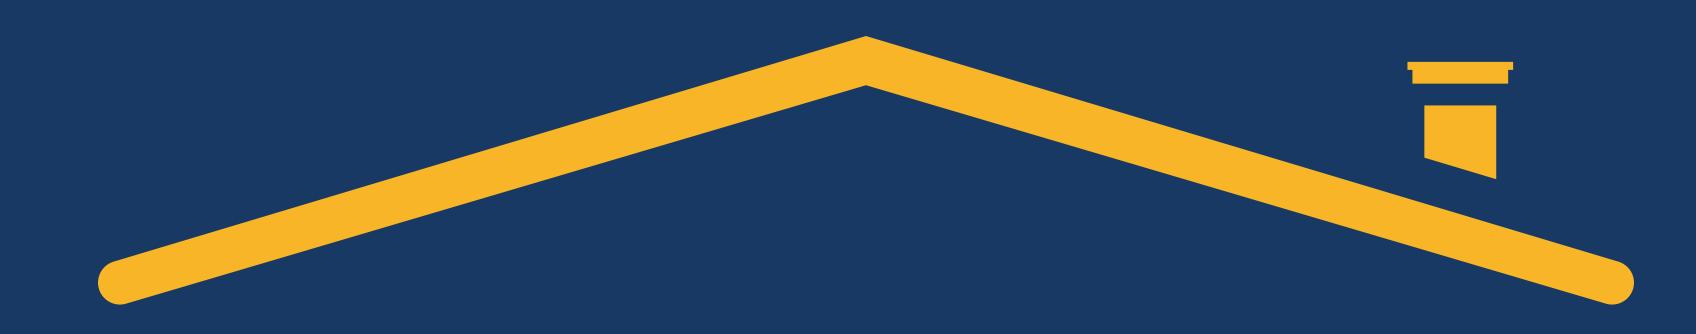

- **Know your 3 W's.**

  Wear a mask. Watch your distance. Wash your hands.

- **Answer the call.**

  If your test is positive, answer the call from the health department.

**VDH** VIRGINIA DEPARTMENT OF HEALTH

Do what is best. Wait at home for the result of your COVID-19 test.

Please stay home and away from others while you wait for any COVID-19 test results.

VDH VIRGINIA DEPARTMENT OF HEALTH

Don't be outrageous, wait at home to see if you're COVID-19 contagious.

Please stay home and away from others while you wait for any COVID-19 test results.
