

Now Hiring Coordination and Community Engagement Contractors to Slow the Spread of COVID-19 in Virginia

District COVID-19 Mitigation Specialist

The COVID-19 Mitigation Specialist will be positioned in a Local Health Department and work to provide setting-specific subject matter expertise on interventions to reduce the transmission of COVID-19 in high-risk settings. This role will lead coordination, communication, and education efforts for setting-specific (i.e., School, Industry, Congregate Care) needs in the assigned district.

Local Level;

Funding is anticipated to continue through July 2023.

NEW

District COVID-19 PHN Testing Navigator

The COVID-19 Public Health Nurse Testing Navigator will assist local health department teams in conducting Community Testing Events and facilitating public/private partnership resources. This role will assist community members, especially those with access and functional needs, to access COVID-19 testing including at-home testing.

Local Level;

Funding is anticipated to continue through June 2022.

NEW

Regional COVID-19 PHN Senior Testing Consultant

The Regional COVID-19 Public Health Nurse Senior Testing Consultants will monitor testing trends for the assigned health department region and make recommendations to increase testing based on disease burden and in consultation with other regional containment and mitigation staff.

Regional Level;

Funding is anticipated to continue through mid-2022.

NEW

Regional COVID-19 Setting-Specific Coordinator

The Regional COVID-19 Setting-Specific Coordinators will provide oversight and subject matter expertise to coordinate district response efforts and planning for COVID-19 in high-risk settings. This role will build capacity for setting-specific (i.e., School, Industry, Congregate Care) needs in the assigned region.

Regional Level;

Funding is anticipated to continue through July 2023.

NEW

District COVID-19 Care Resource Coordinator

The Care Resource Coordinator will be positioned in a Local Health Department to facilitate identification of needs and the provision of social, material, and other supports that allow a COVID-19 case or contact to safely isolate or quarantine.

Local Level;

Funding is anticipated to continue through July 2023.

COVID-19 Care Coordination Specialist

The COVID-19 Care Resource Specialist will be positioned at Central Office to oversee statewide programmatic capacity to facilitate and identify needs and provision of social, material, and other supports that allow a COVID-19 case or contact to safely isolate or quarantine.

Central Level;

Funding is anticipated to continue through July 2023.

NEW
