Information & Referrals:

The Yancey Community Health Center is staffed by a community health worker (CHW).

The Yancey CHW conducts outreach and serves as a community resource.

Have questions about where to turn for health services? Need to connect with community resources? Looking for educational classes or support groups? Want a representative for an upcoming health fair or a speaker at your next event? Call the health center and the Yancey CHW can provide you with information and referrals!

If you need immediate assistance, check with your local healthcare provider or urgent care.

Continue to check our website at BlueRidgeHD.org for updates regarding future services.
