Environmental Health Services

Clinical Services

Health Communication

WIC Services

OUR CORE VALUES

Accountability | Communication
Diversity | Equity | Excellence
Integrity | Respect | Stewardship

WHY I CHOSE BRHD

"I chose to work at BRHD because it helps me to match up my interest in science with public service. Working 'behind the scenes' has allowed me the opportunity to protect the lives of thousands of people. This, in turn, provides an ongoing sense of accomplishment along with a true appreciation of the skills of my coworkers."

- **Eric Meyers, Environmental Health Manager**
