

LOCAL LICENSED OSE SERVICE PROVIDERS

Blue Ridge Health District (BRHD) does not endorse or recommend any particular Onsite Soil Evaluator (OSE). The following list is based only on those who have shared their

contact information with the agency. The omission of an OSE from the listing is not a statement of unsuitability. BRHD also does not guarantee the work or license status of any OSE. It is recommended that you view the Department of Professional and Occupations Regulation (DPOR) website, www.dpor.virginia.gov, to verify that an OSE is properly licensed in accordance with state law. To search all licensed OSE's, PE's, septic system installers, and well drillers please visit the DPOR website.
